

A vibrant, magical forest scene. The trees are thick and gnarled, with a soft, ethereal glow emanating from their canopies. Numerous bright, star-like sparkles are scattered throughout the air, creating a dreamlike atmosphere. In the center, a small, yellow, bird-like creature with a long beak is perched on a branch. The ground is covered in lush green moss and small, colorful flowers, including several bright yellow daisies. The overall color palette is dominated by greens and yellows, with a warm, golden light filtering through the trees.
