

A vibrant spring-themed illustration. On the left, a small white birdhouse with a red roof and a heart-shaped entrance sits on a wooden post, entwined with green vines. The foreground is a lush green field filled with various flowers, including large pink and yellow blossoms with prominent yellow centers, and smaller pink and white flowers. The background is a bright, clear blue sky with a sun in the upper right corner, casting long, white rays across the scene. The overall atmosphere is bright and cheerful, with soft, glowing light effects and a few floating bubbles.
