Ряскина О.И.

A black and white bird, possibly a crow or raven, is perched on a branch in front of an open window. The window has white frames and is open, revealing a bright blue sky and bare tree branches with small green buds. The bird is looking to the right. A pink speech bubble with a red border is overlaid on the image, containing text in red.

**Весна  
заблудилась  
в лесу и  
уснула крепким сном**
