A large, black, cursive handwritten number '2' is shown on a white background with three horizontal black lines. A red dot is placed at the top of the first stroke, indicating the starting point for writing the number. The number is formed by two strokes: the first stroke starts at the red dot, curves down and to the right, then loops back up and to the left, crossing the middle line; the second stroke starts at the top of the first stroke, goes straight down, crossing the middle line, and then curves to the right and down, ending at the bottom line.
