

A winter-themed illustration featuring various birds in a snowy landscape. In the top left, a red and white bird sits on a branch next to a red lantern with snowflakes. A blue and yellow bird is perched on a branch below. In the top right, a yellow birdhouse is on a pine branch with pinecones. The background is filled with blue snowflakes and several other birds in flight or on the ground. At the bottom, a black and white bird is on the left, and several small brown and black birds are on the right.
