

Внутренние органы человека

Саша поможет вам повторить названия внутренних органов человека и где они находятся.

Каждому органу человека соответствует кружок определенного цвета.

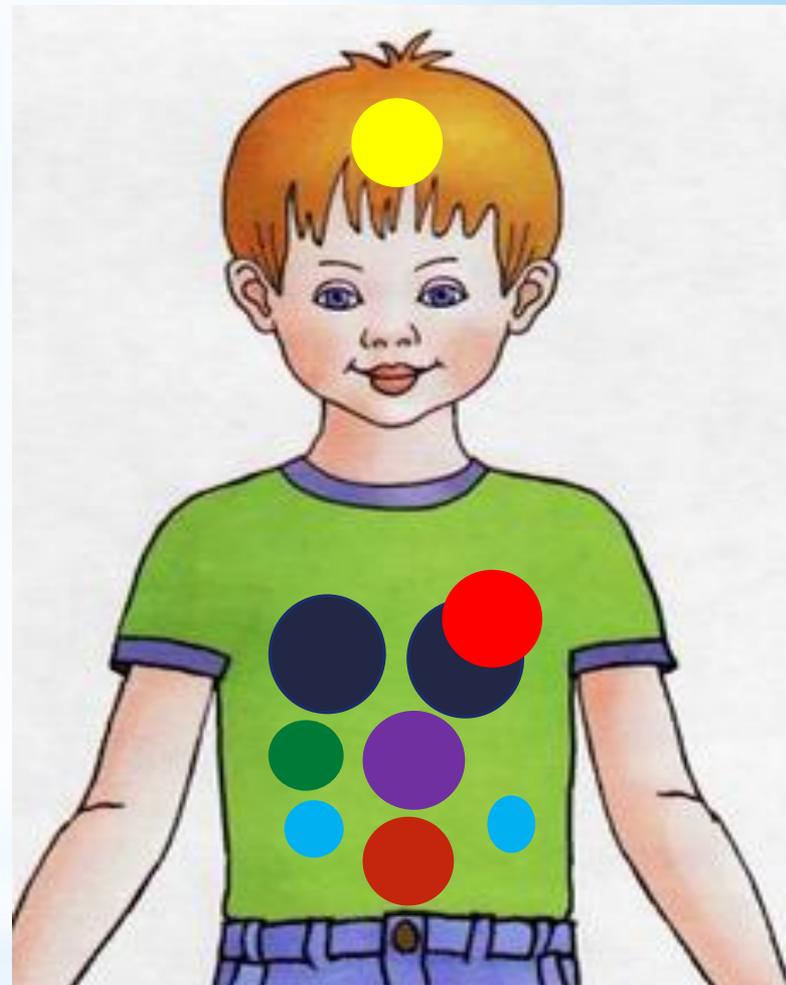

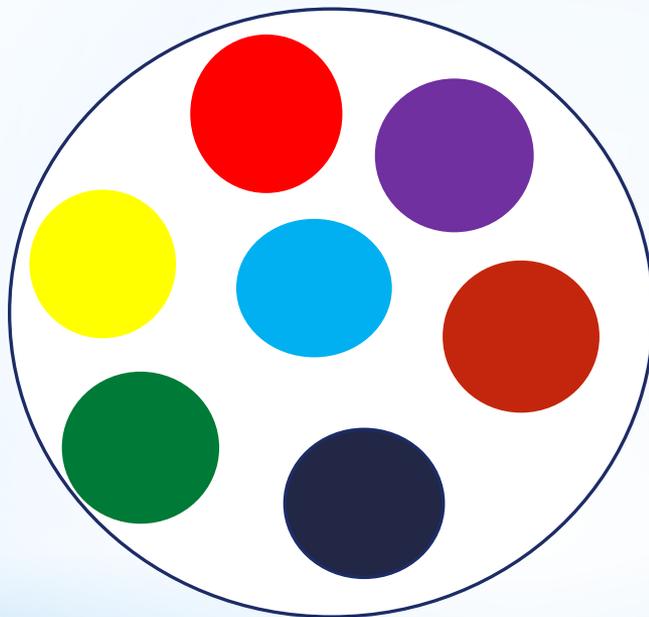

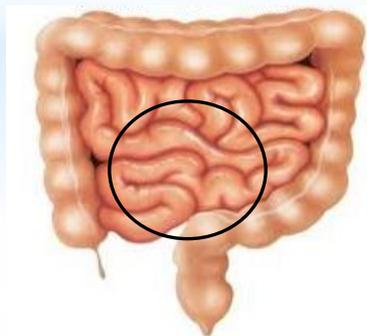

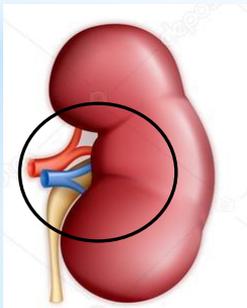

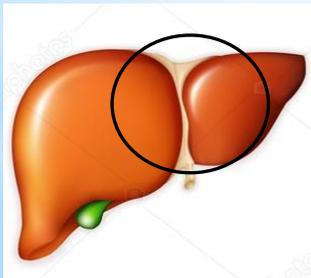

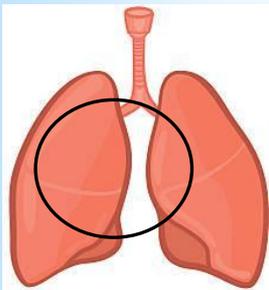

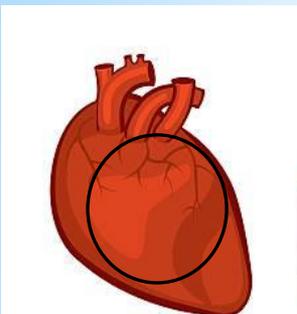

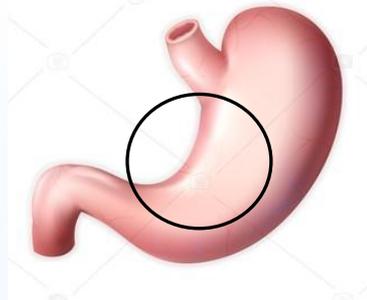

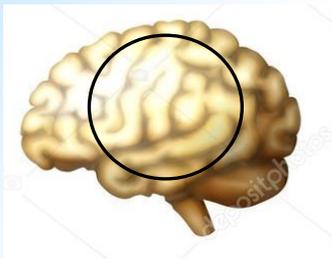

Инструкция к игре: покажи внутренний орган (взрослый читает инструкцию на слайде). Если выбор неверен, то вернись обратно.

При переходе к следующему слайду нажми стрелку.

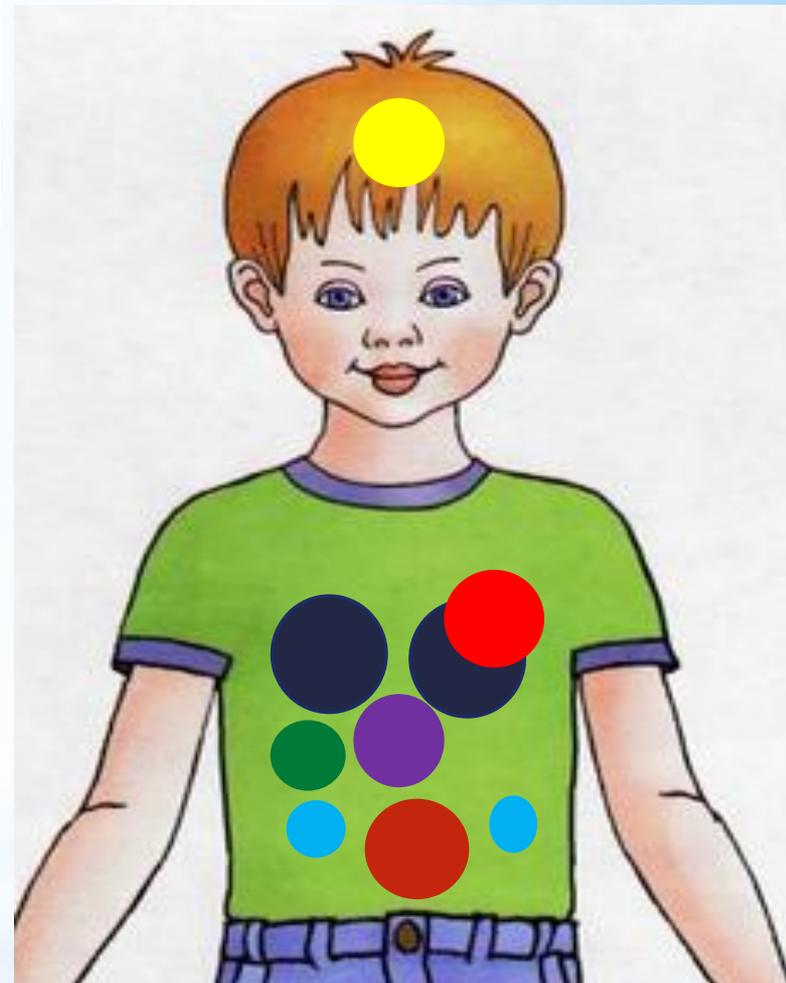

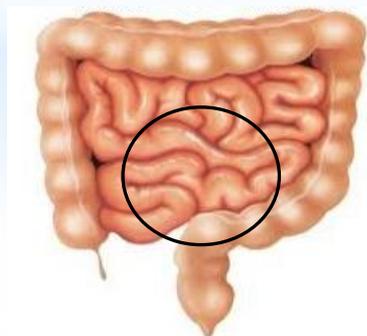

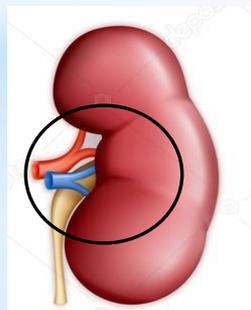

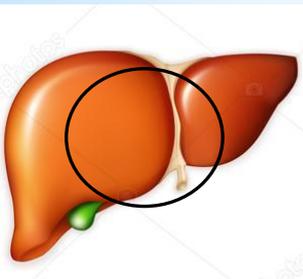

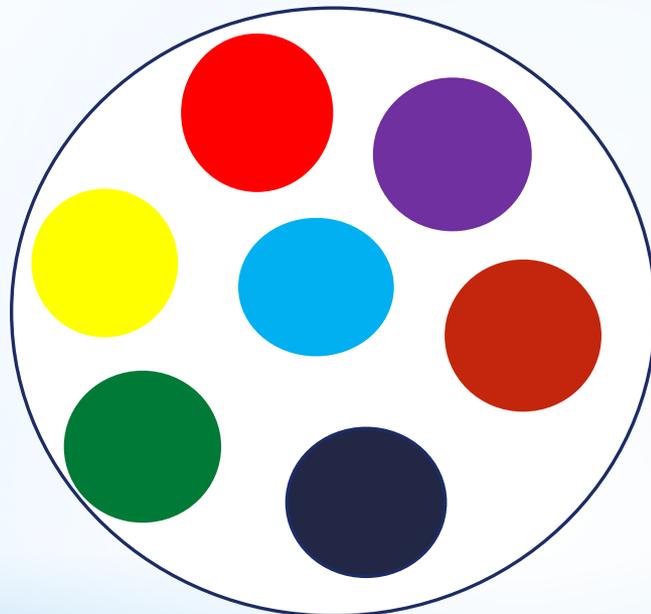

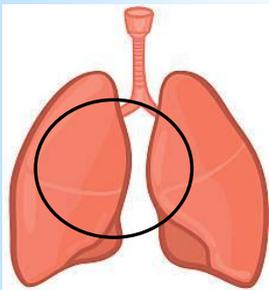

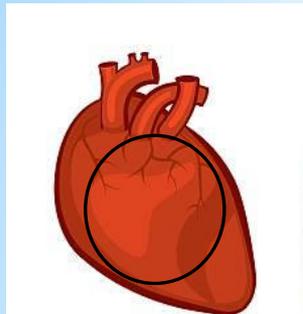

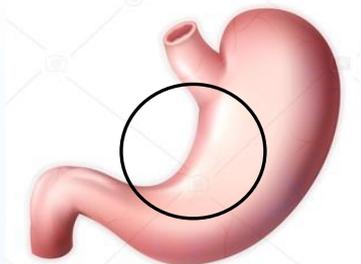

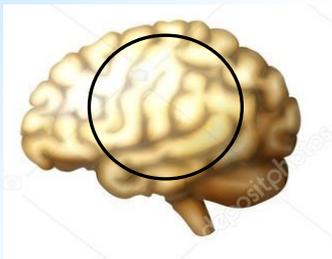

Учитель-логопед: Точилкина О.И.

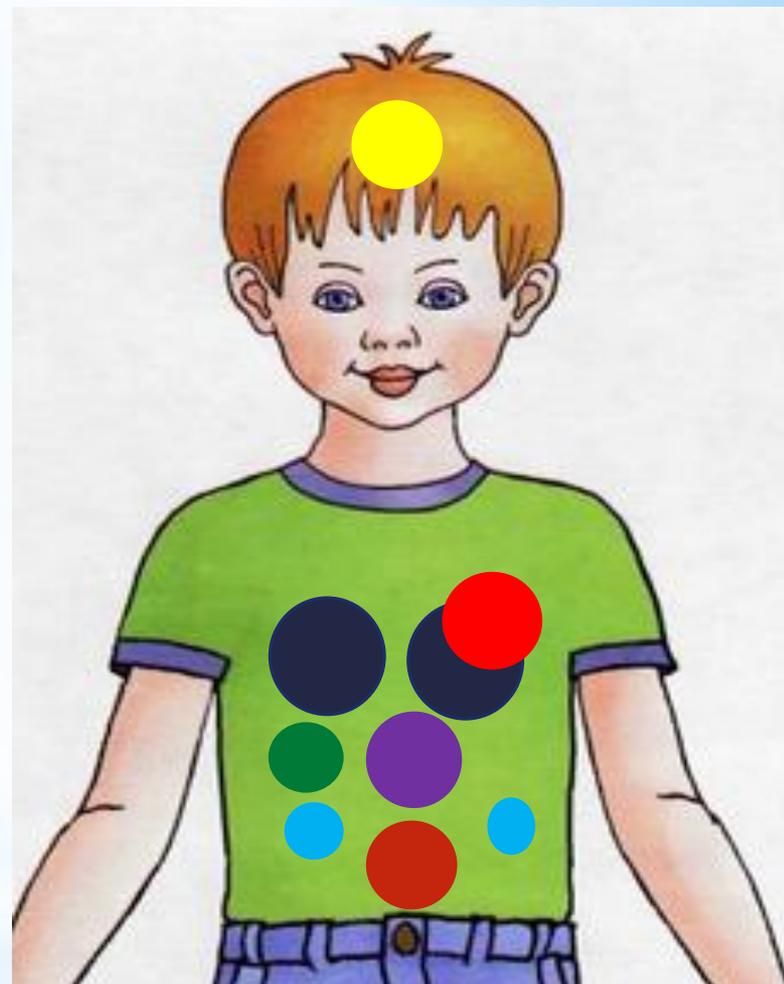

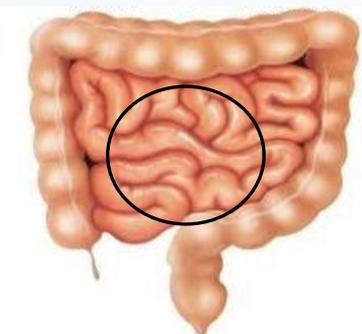

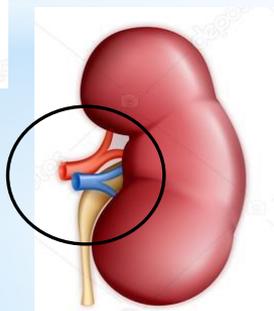

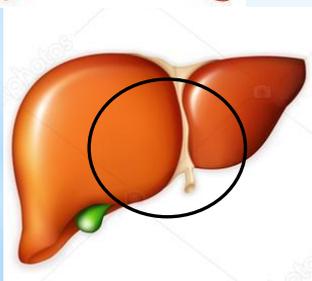

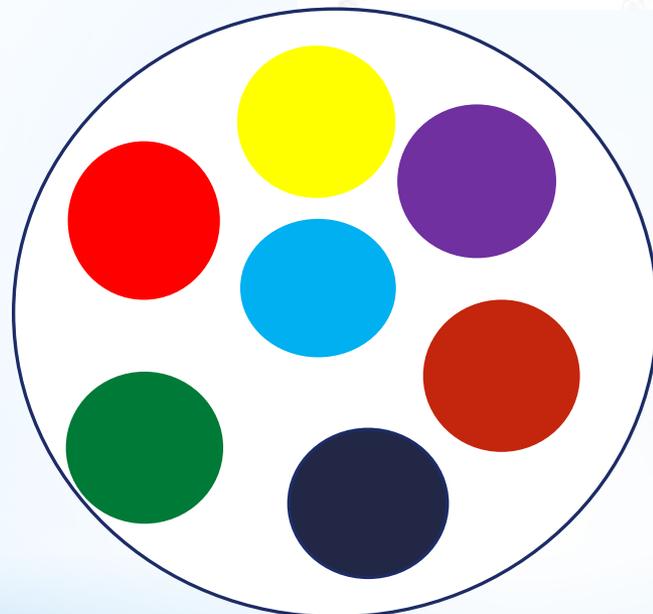

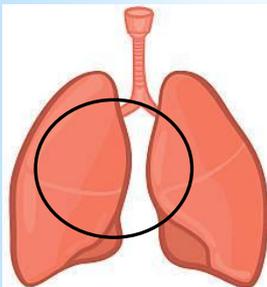

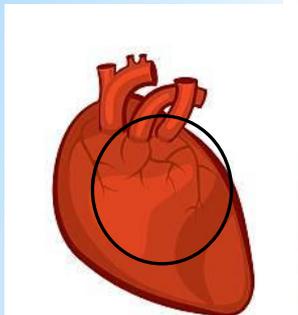

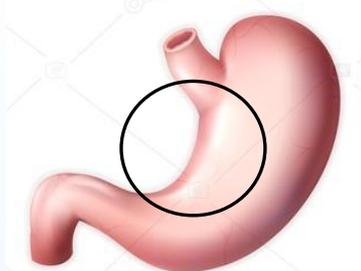

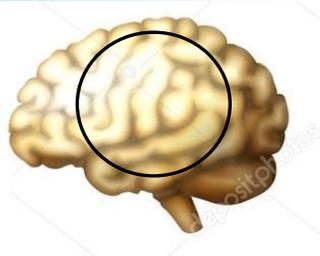

Покажи, где мозг

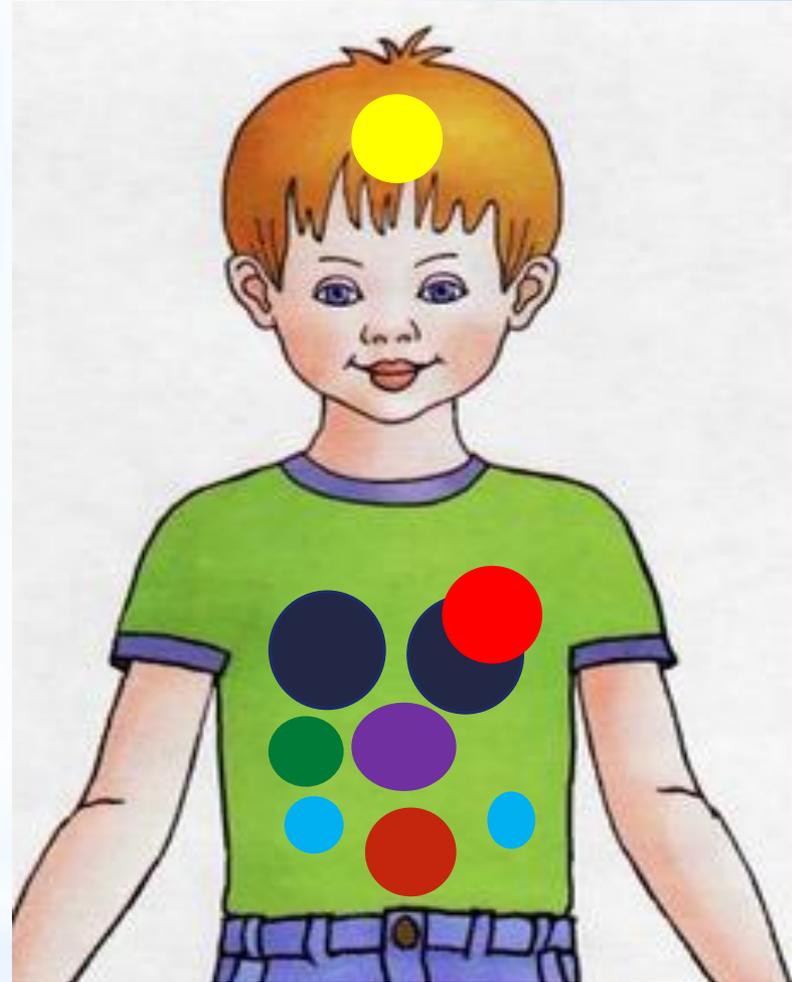

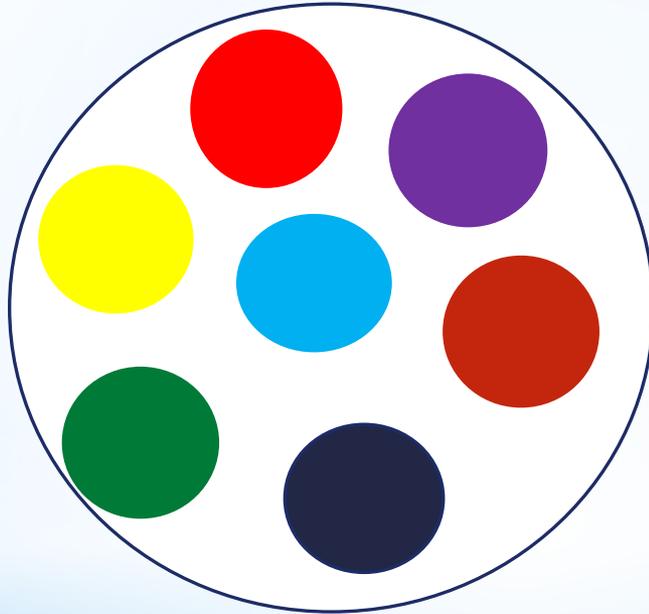

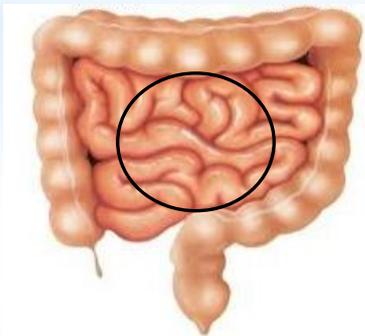

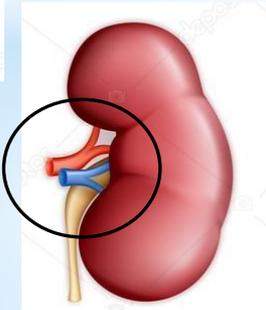

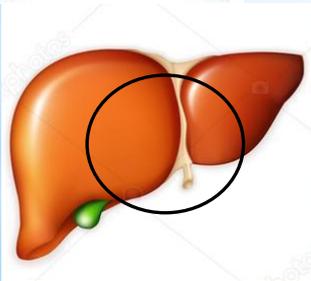

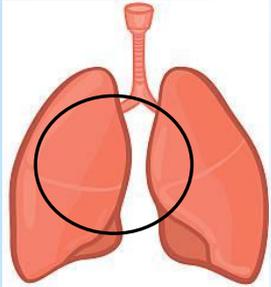

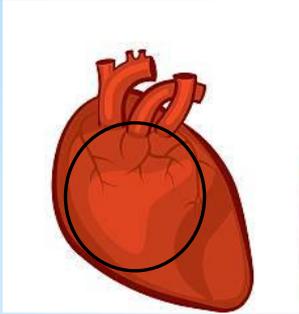

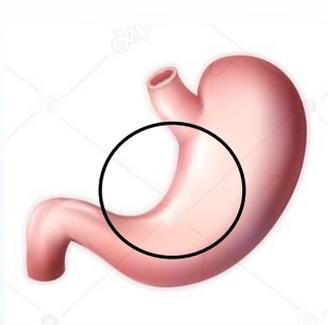

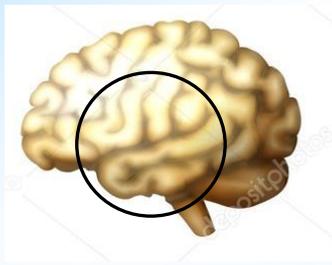

Покажи, где желудок

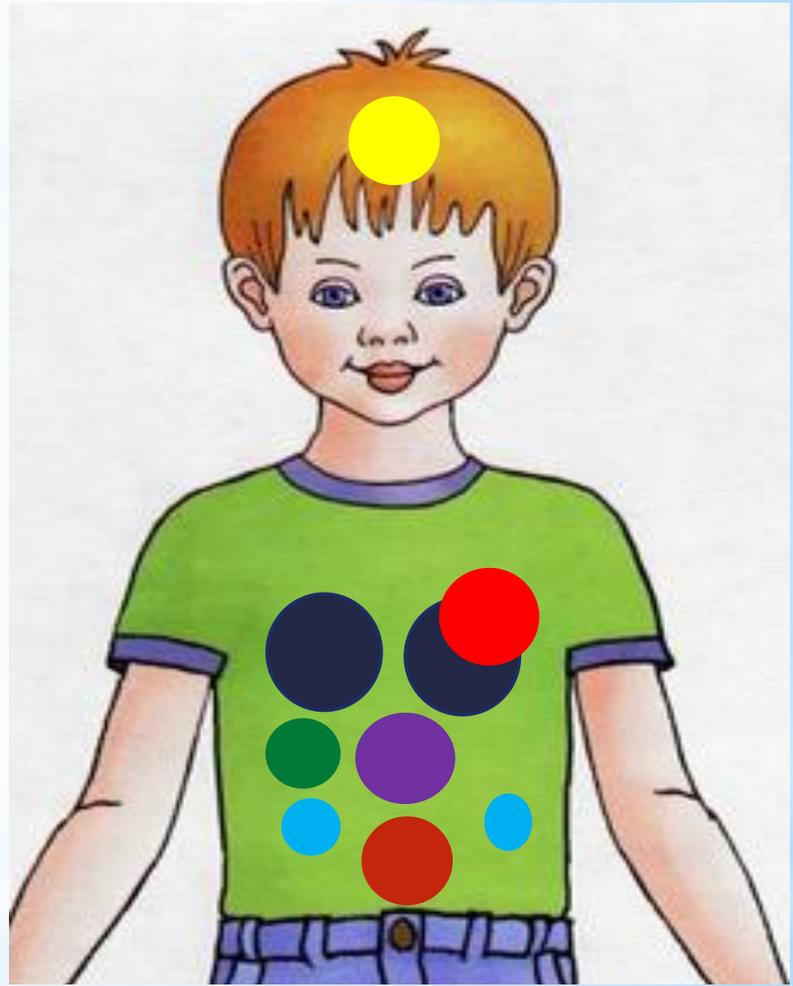

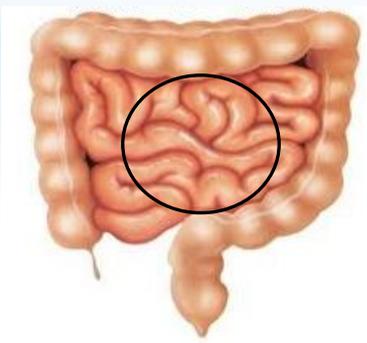

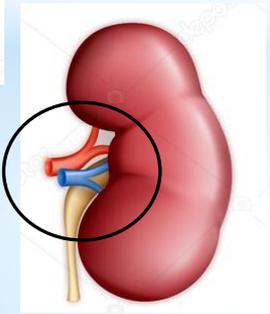

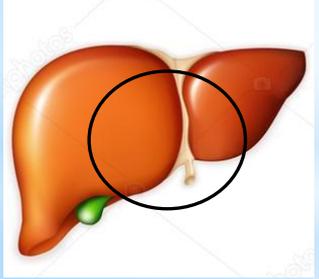

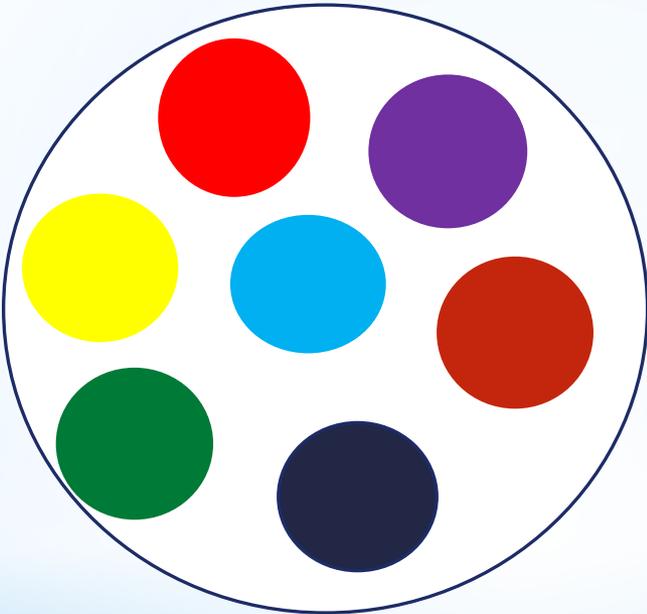

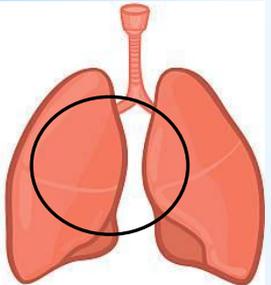

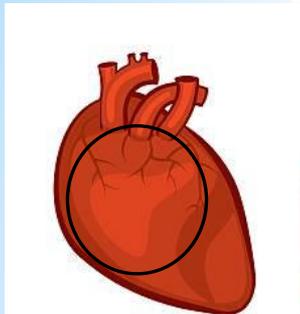

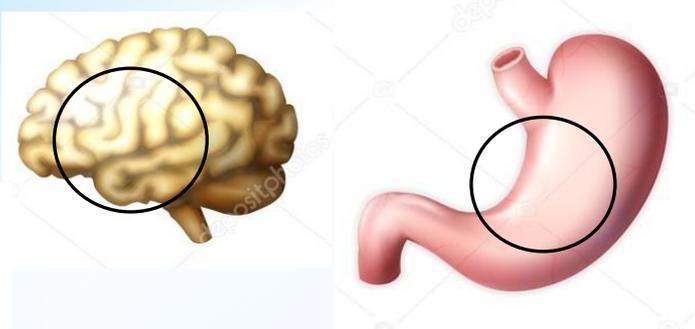

Покажи, где легкие

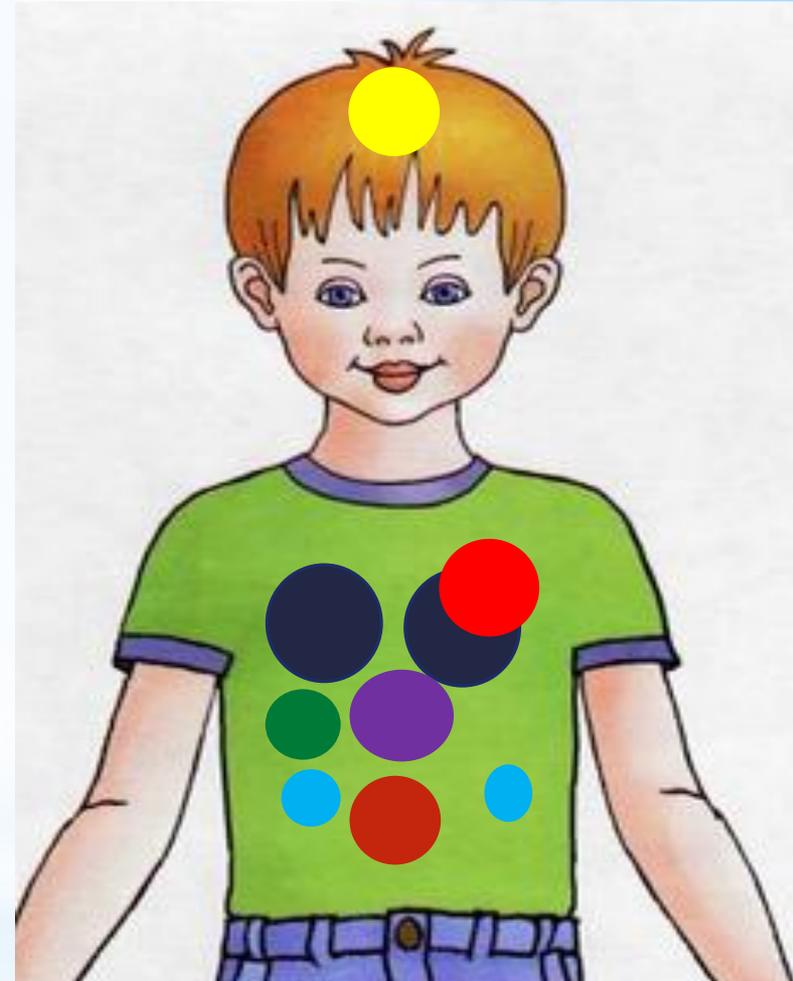

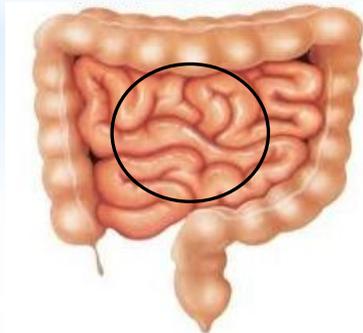

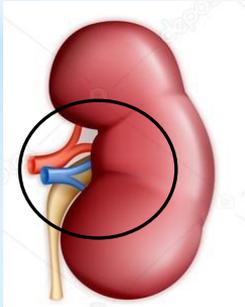

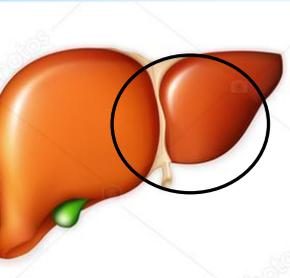

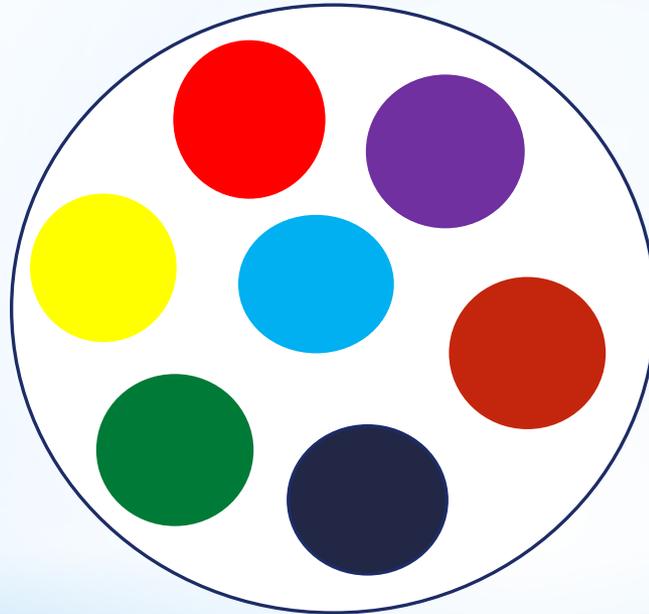

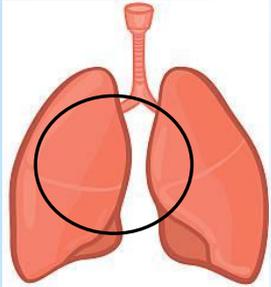

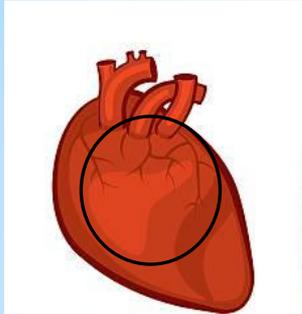

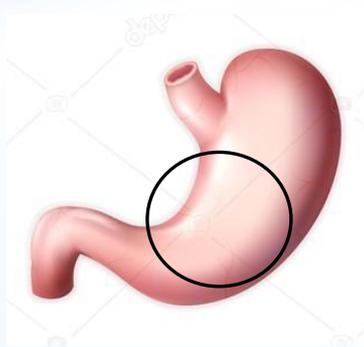

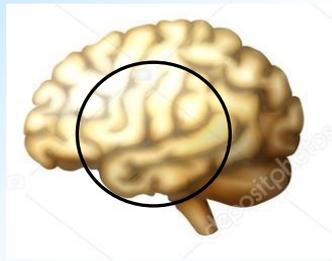

Покажи, где сердце

Покажи, где печень

Покажи, где почка

Покажи, где кишечник
