Handwritten cursive letter 'k' on a three-line grid. The letter is dark red. A small green rectangular highlight is on the upper stem. An orange dot is at the junction of the stem and the loop.

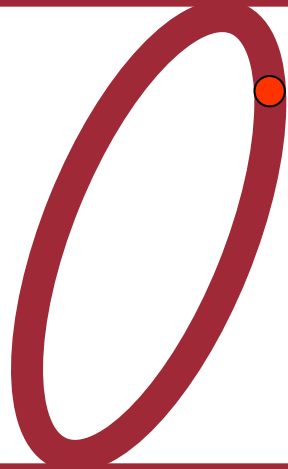

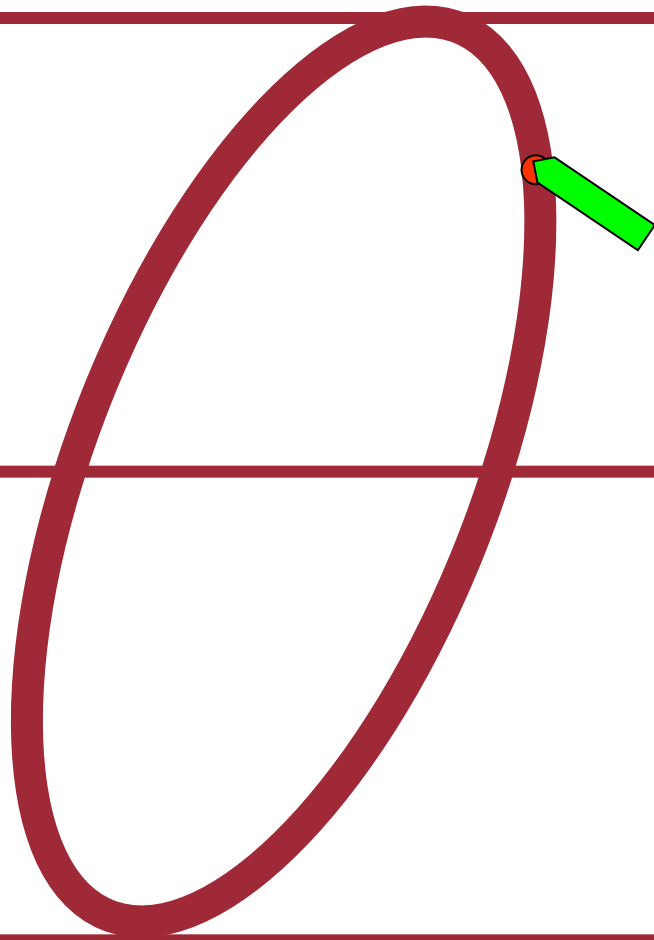

Handwritten cursive letter 'k' on a three-line grid. The letter is dark red. Two orange dots are placed at the junction of the stem and the loop, and at the top of the stem.

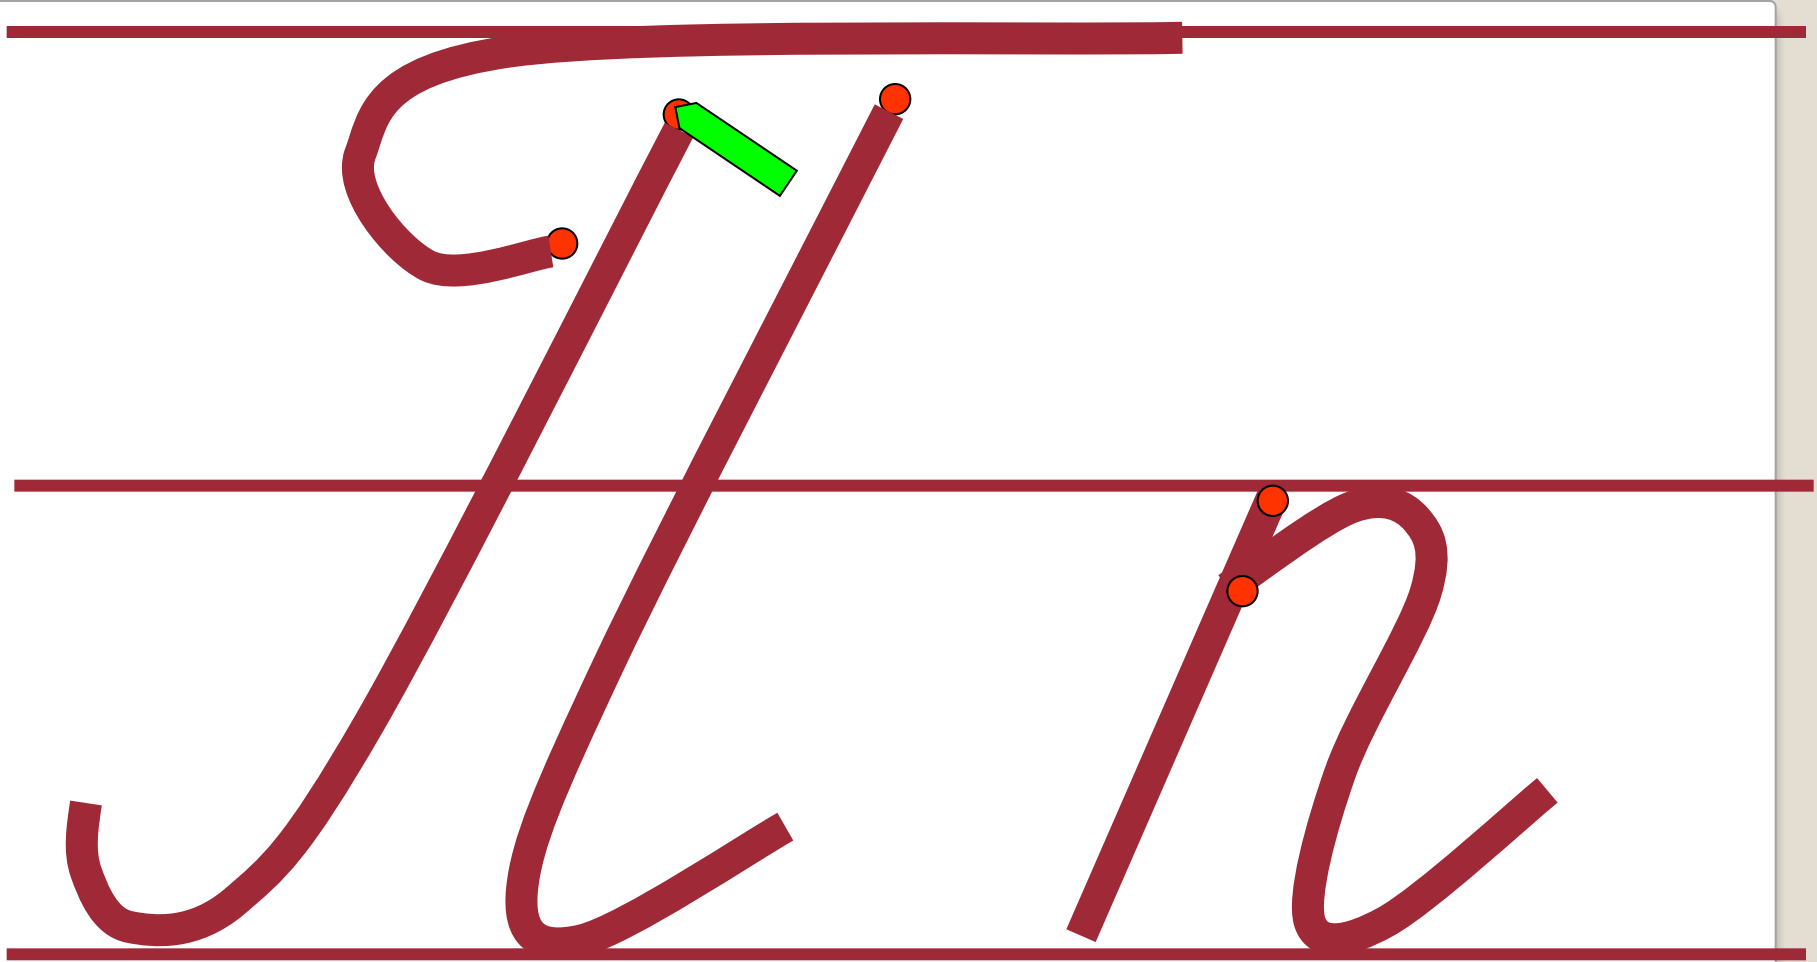

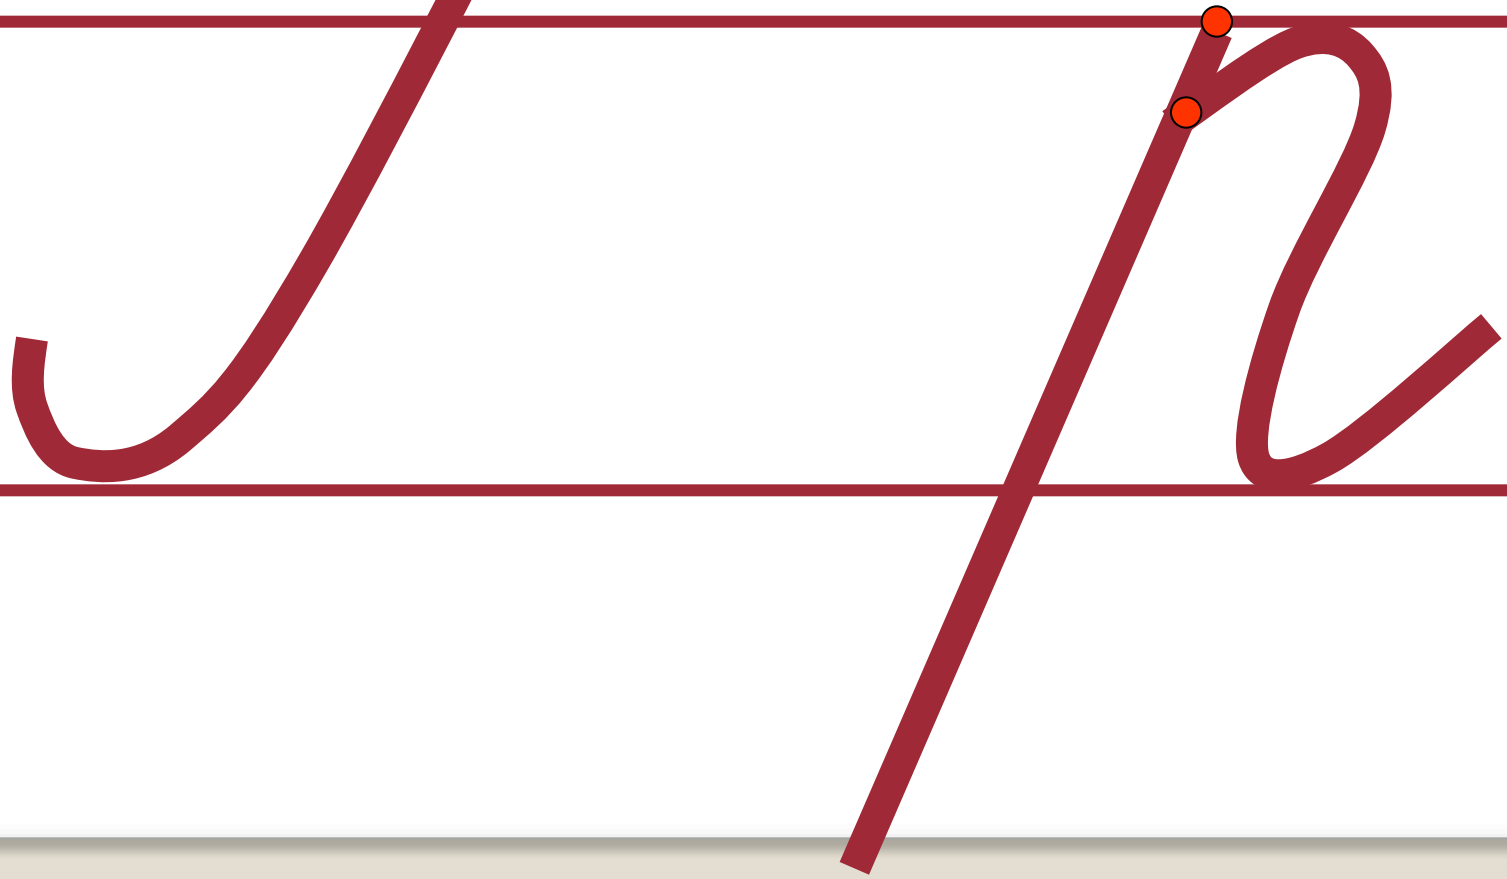

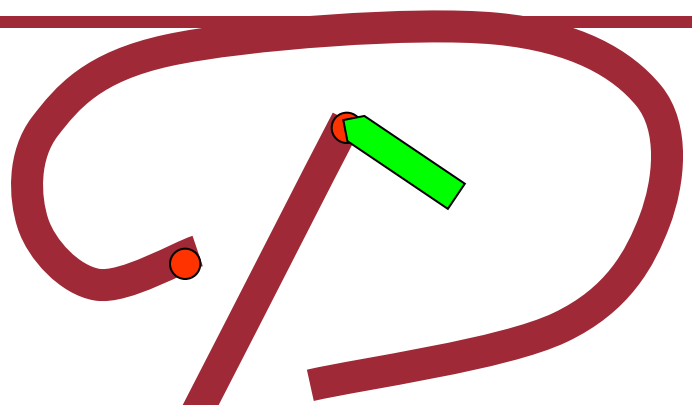

Handwritten cursive letters 'A' and 'L' on a three-line grid. The letter 'A' is formed by three strokes: a diagonal down from the top line to the bottom line, a diagonal up from the bottom line to the top line, and a horizontal crossbar. A green arrow points to the top of the first stroke. The letter 'L' is formed by two strokes: a vertical line from the top line to the bottom line, and a curved line starting from the middle of the vertical line, looping down and then up to the right.

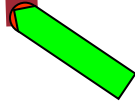

Handwritten cursive letters 'H' and 'H' on a three-line grid. The first 'H' is formed by two vertical strokes from the middle line to the bottom line, connected by a curved crossbar. The second 'H' is formed by two vertical strokes from the top line to the bottom line, connected by a curved crossbar. Orange dots mark the starting points of the vertical strokes.

A large cursive letter 'y' is shown on a set of three horizontal red lines. The letter starts with a green pencil tip at the top left, indicating the starting point and direction of the stroke. The letter extends from the top line to the bottom line, with a loop at the top and a tail that loops back up to the middle line.

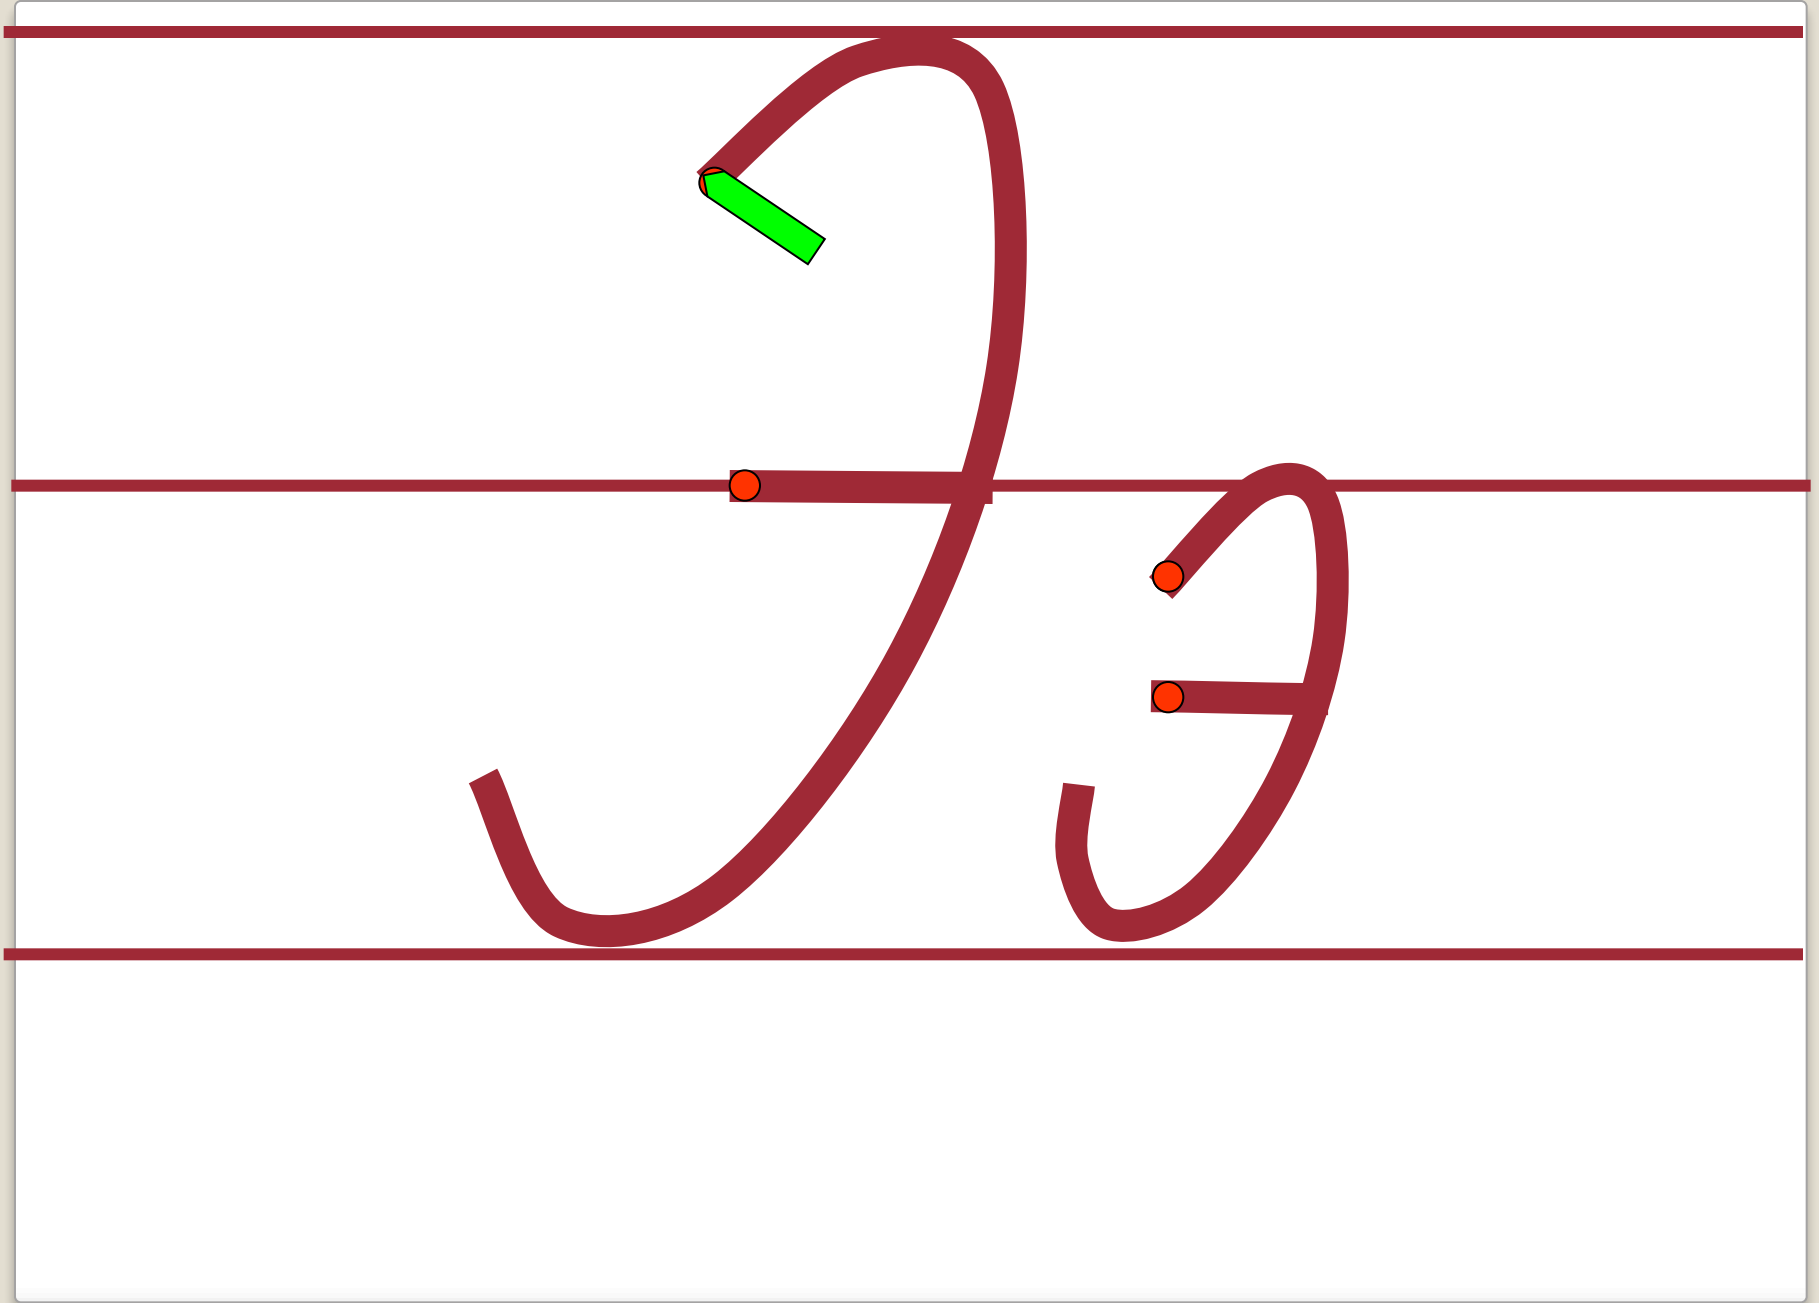

Two smaller cursive letters 'y' are shown on the same set of three horizontal red lines. Each letter has a small red dot at the top of its stem, indicating the starting point. The letters are positioned between the middle and bottom lines, with their stems extending to the top line.
