Handwritten cursive letter 'k' on a three-line grid. The letter is dark red. A green rectangular highlight is placed on the upper stem of the letter. An orange dot is located at the junction where the stem meets the middle line.

Handwritten cursive letter 'k' on a three-line grid. The letter is dark red. Two orange dots are placed at the junctions where the stem meets the middle and bottom lines.

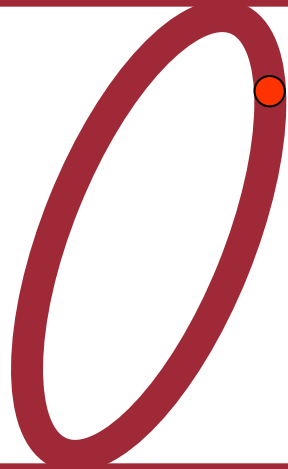

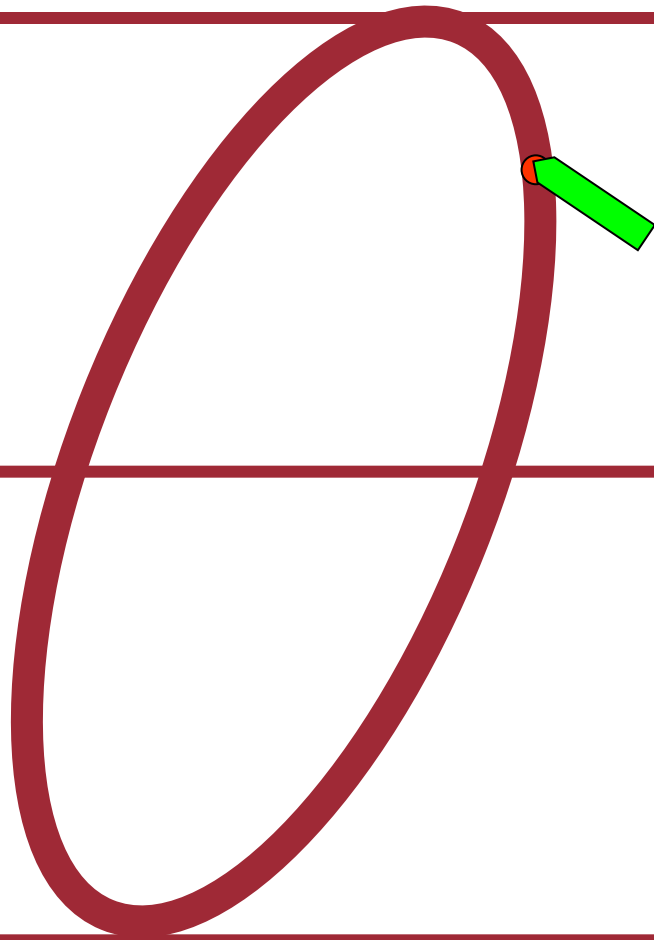

Handwritten uppercase cursive letter 'N' in dark red ink on a white background with three horizontal red lines. The letter starts at a red dot at the top line, with a green brushstroke indicating the starting direction. It curves down and to the left, then back up and to the right, crossing the middle line, and finally curves down and to the left, ending at the bottom line.

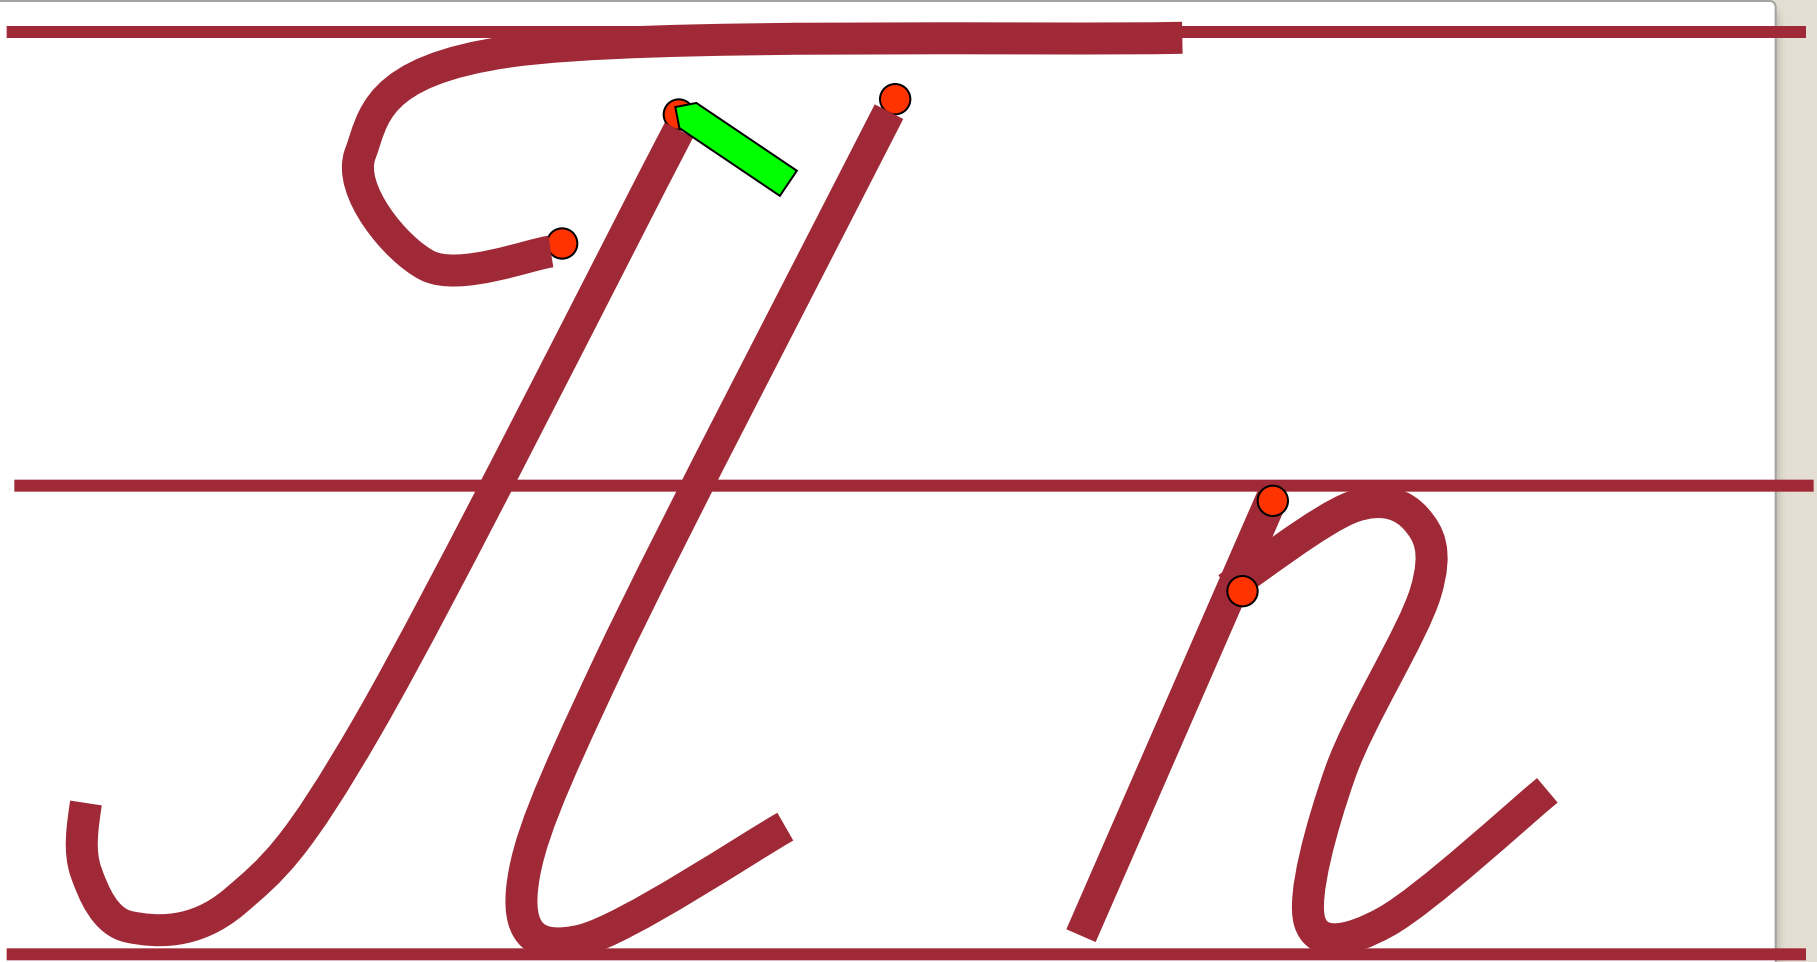

Handwritten lowercase cursive letter 'n' in dark red ink on a white background with three horizontal red lines. The letter starts at a red dot on the middle line, curves down and to the left, then back up and to the right, crossing the bottom line, and finally curves down and to the left, ending at the bottom line.

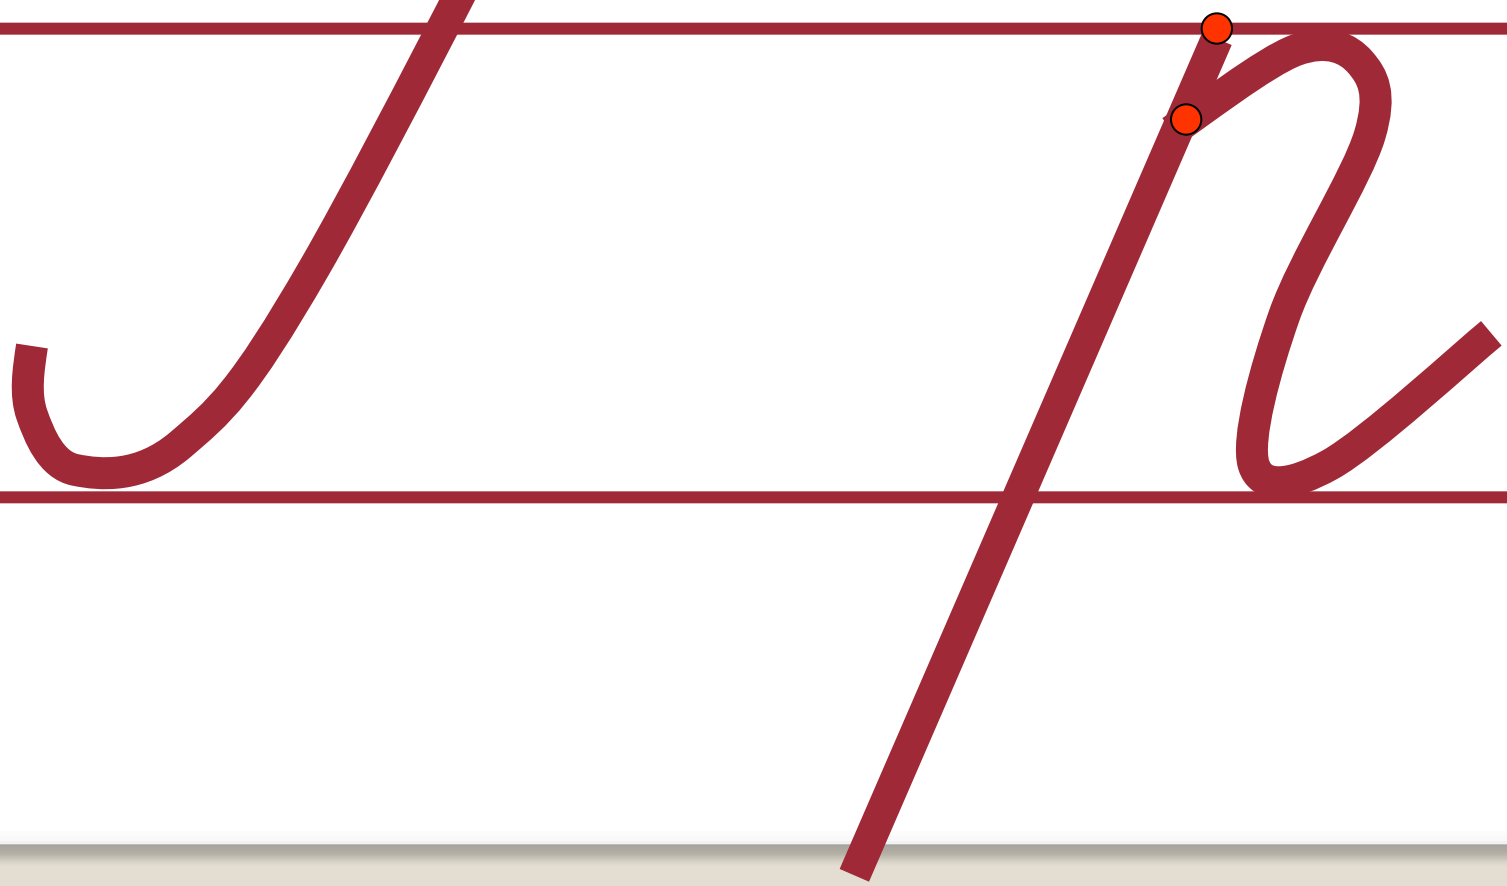

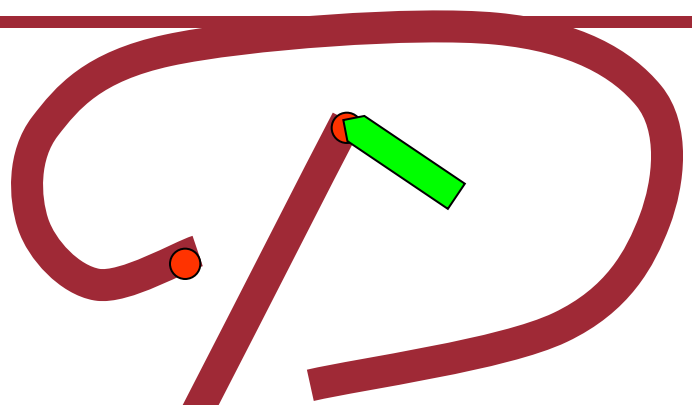

Handwritten cursive letters 'A' and 'L' on a three-line grid. The letter 'A' is formed by three strokes: a green arrow indicates the downward diagonal stroke from the top line to the bottom line, followed by two upward diagonal strokes meeting at the top line. The letter 'L' is formed by a single continuous stroke starting from the bottom line, curving to the right, and then curving back down to the bottom line.

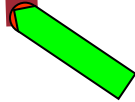

Handwritten cursive letters 'H' and 'H' on a three-line grid. The first 'H' is formed by three strokes: a downward diagonal stroke from the middle line to the bottom line, a horizontal connecting stroke, and an upward diagonal stroke from the bottom line to the middle line. The second 'H' is formed by a single continuous stroke starting from the middle line, curving down to the bottom line, and then curving back up to the middle line.
