

В гости к Учёной сове.

A large, gnarled tree with a thick trunk and many branches stands in a grassy field. The tree's trunk is heavily textured and has a large hollowed-out section at the base. The branches are mostly bare, with some green leaves still attached. The background shows a rolling landscape with green hills and a small town or village in the distance under a clear blue sky. The lighting suggests it's either early morning or late afternoon, with a warm glow on the tree's trunk.
