

The background is a vibrant, colorful illustration. On the left, there is a yellow paper basket overflowing with various flowers, including pink tulips, orange daisies, and yellow daisies. A red cardinal perches on the edge of the basket. In the background, there are stylized houses with green roofs and purple roofs, and a green hill. The sky is light blue with white clouds, and several hearts in various colors (pink, purple, yellow, orange) are scattered throughout. The overall style is bright and cheerful.
