

The background is a vibrant, colorful illustration. On the left, there is a yellow paper basket overflowing with various flowers, including pink tulips, orange daisies, and yellow daisies. A red cardinal perches on the edge of the basket. In the background, there are green hills, a small house with a green roof, and a purple-roofed house. The sky is light blue with white clouds, and several hearts in various colors (red, yellow, purple) are scattered throughout. The overall style is bright and cheerful.
