

# My favourite sport

I will talk about the kind of sport like  
basketball

- Many people go in for sports, because it makes us healthy and helps to be in good shape

- Homeland of Belarusian basketball became Vitebsk. It was in this city that the first team (male) was formed, which in 1923 took part in the first All-Union competitions

- Stephen Curry is an American professional basketball player, playing for the team of the National Basketball Association "Golden State Warriors" and the US team

- I like this sport. I'm interested in watching the matches of this sport. I love cheering for my favorite team

- in general I like basketball and I play it myself
