Часть 3

Чудо-
ХОДУНКИ

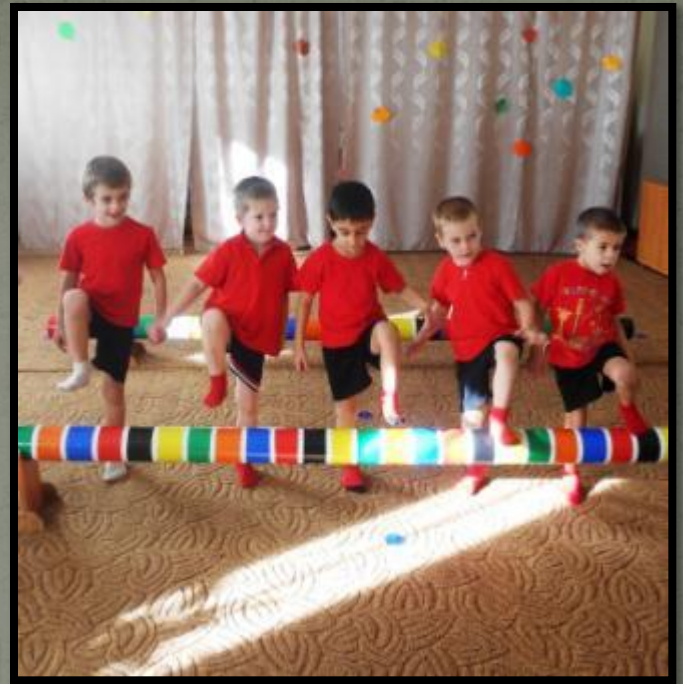

A photograph of a colorful beaded necklace, possibly a traditional Russian folk ornament, laid out on a brown, textured fabric surface. The necklace is composed of white beads with various colored segments (red, blue, yellow, green, purple) interspersed. The text 'Кольцевая веревка' is overlaid in the center in a yellow, stylized font. The entire image is framed by a dark green, textured border.
