

How to make a hat for a cat
out of a beer can

The first thing you have to buy a bottle of beer and drink it, it will give you confidence and strength for the work ahead.

SORRY

Sorry

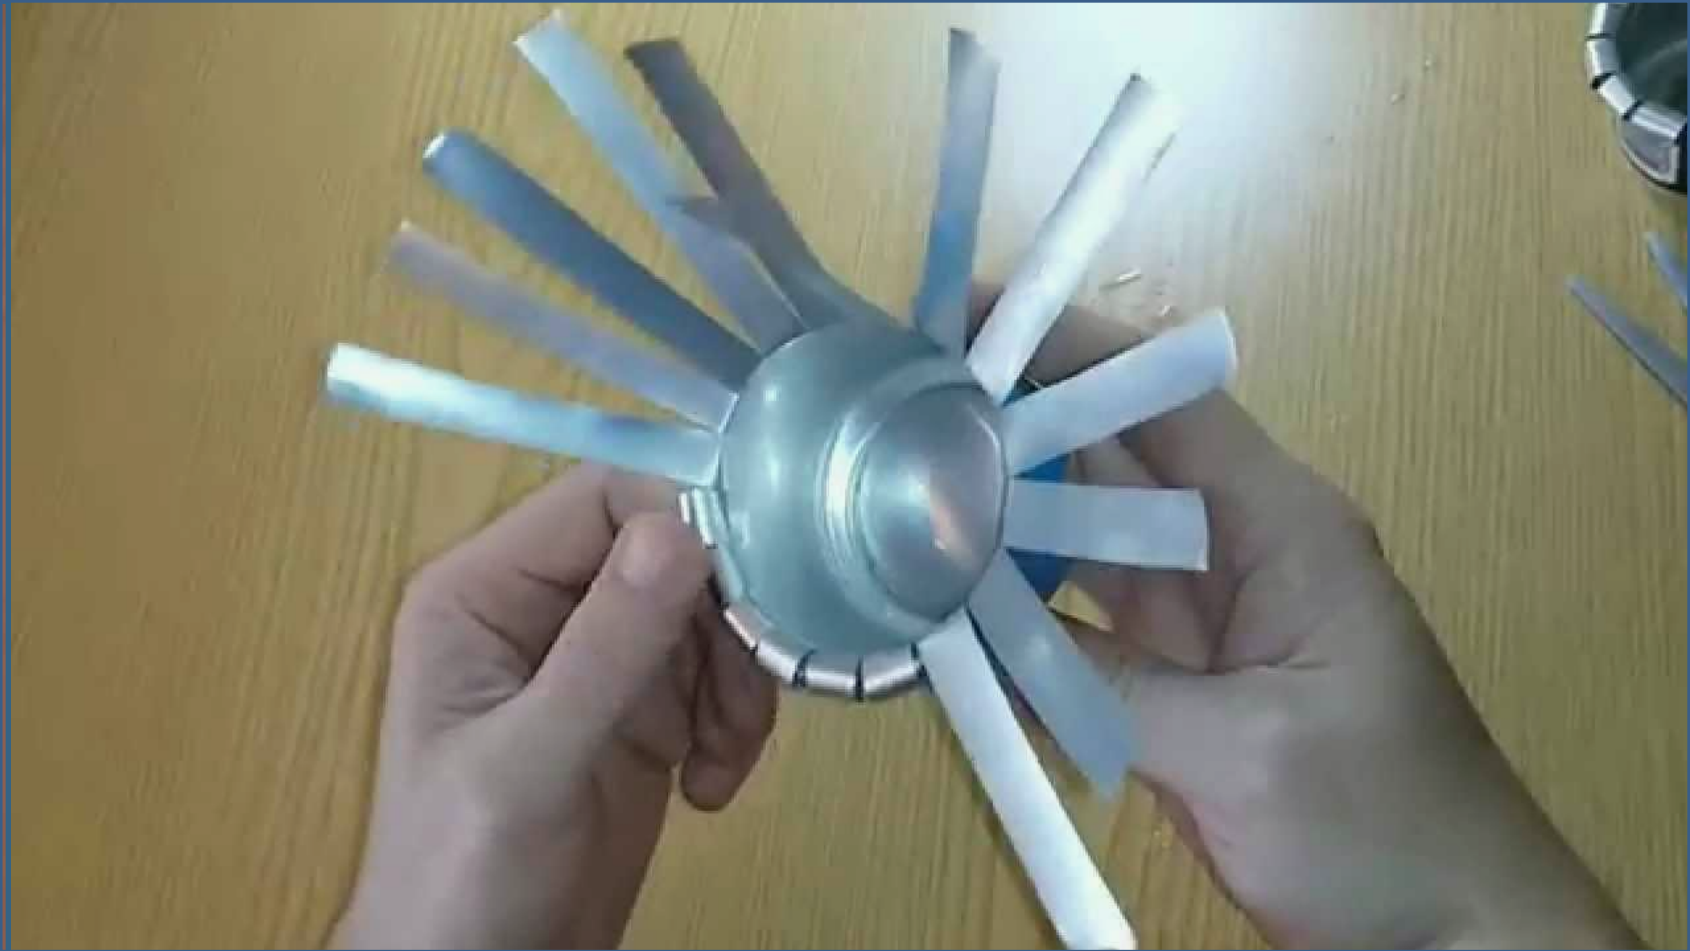

I did not took a picture of the process, but I have a wonderful guide how and where you need to cut the bank

SORRY

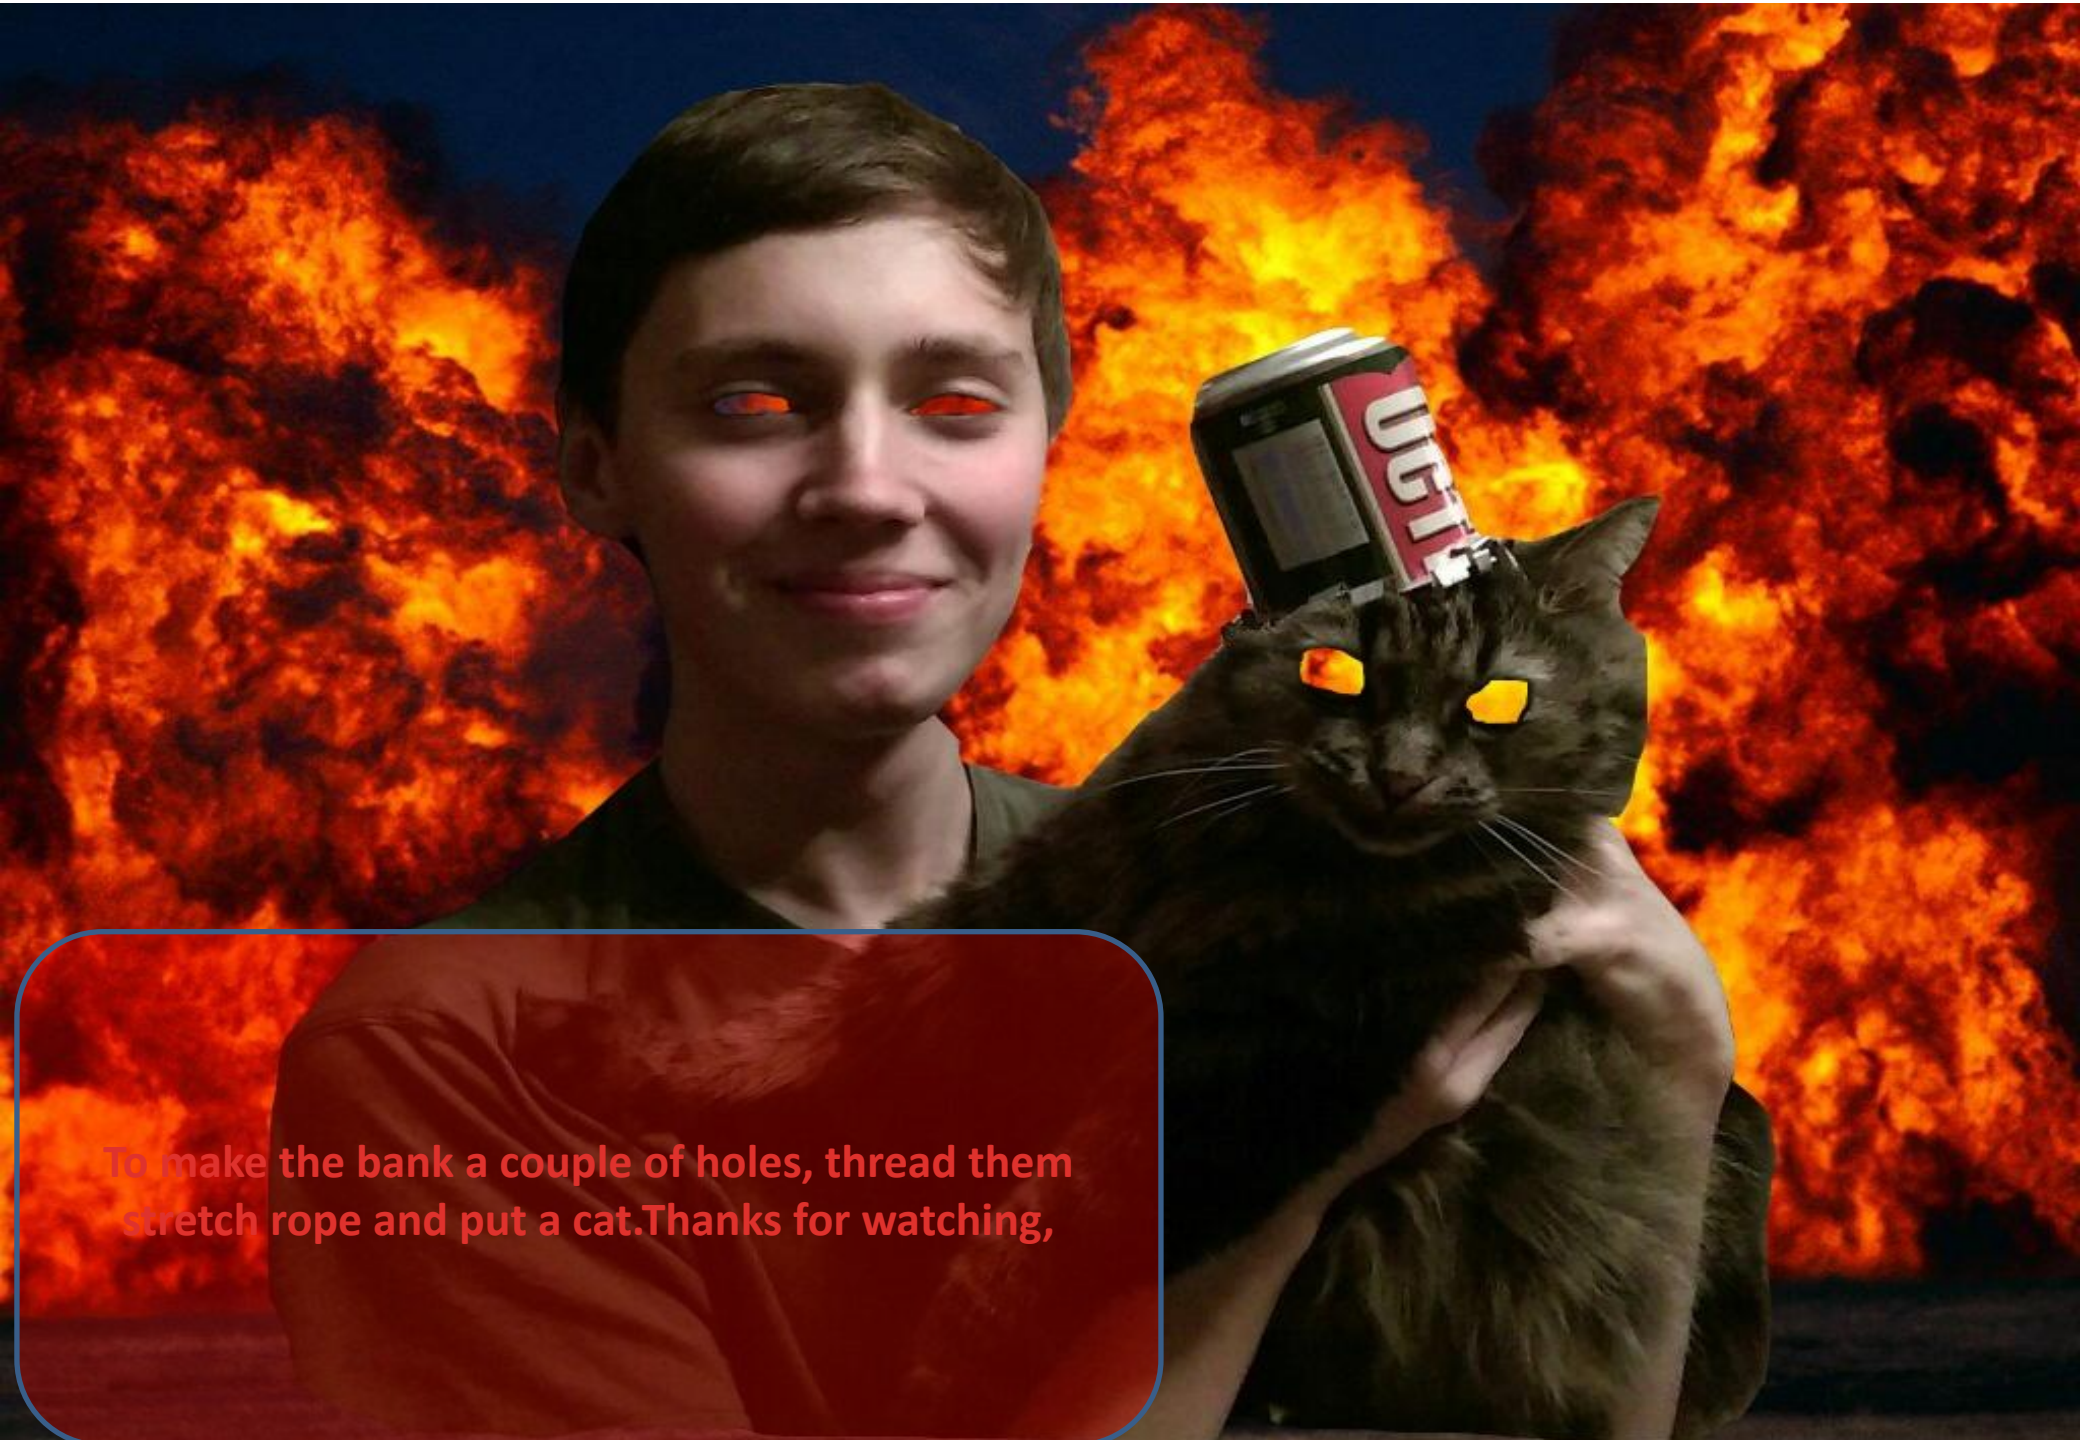

Cut here

Cut the bank at approximately equal periods and take them to the beginning of our hat

To make the bank a couple of holes, thread them stretch rope and put a cat. Thanks for watching,
