

A dark grey board with a red border, used for educational activities. It features four groups of fruit-related images and a row of ten cards at the bottom.

- Top Left Group (Yellow Arrows):** A central square shows a green apple. Two yellow arrows point from it to two squares above: the left one contains a black silhouette of an apple, and the right one contains a white outline of an apple.
- Top Right Group (Red Arrows):** A central square shows an orange with leaves. Two red arrows point from it to two squares above: the left one contains a black silhouette of an orange with leaves, and the right one contains a white outline of an orange with leaves.
- Bottom Left Group (Blue Arrows):** A central square shows a bunch of purple and green grapes. Two blue arrows point from it to two squares above: the left one contains a black silhouette of a bunch of grapes, and the right one contains a white outline of a bunch of grapes.
- Bottom Right Group (Green Arrows):** A central square shows a red pomegranate. Two green arrows point from it to two squares above: the left one contains a white outline of a pomegranate, and the right one contains a black silhouette of a pomegranate.

At the bottom, a red-bordered tray holds ten cards, each with a different fruit illustration or outline:

- White outline of a pear.
- Black silhouette of a pineapple.
- White outline of an orange.
- Black silhouette of two round fruits (possibly apples or pears).
- White outline of a pineapple.
- Black silhouette of a pear.
- White outline of a circle.
- Black silhouette of two round fruits (possibly apples or pears).
- White outline of a pear.
- Black silhouette of a round fruit (possibly an apple or pear).
