

Easter comes in spring.

SPRING

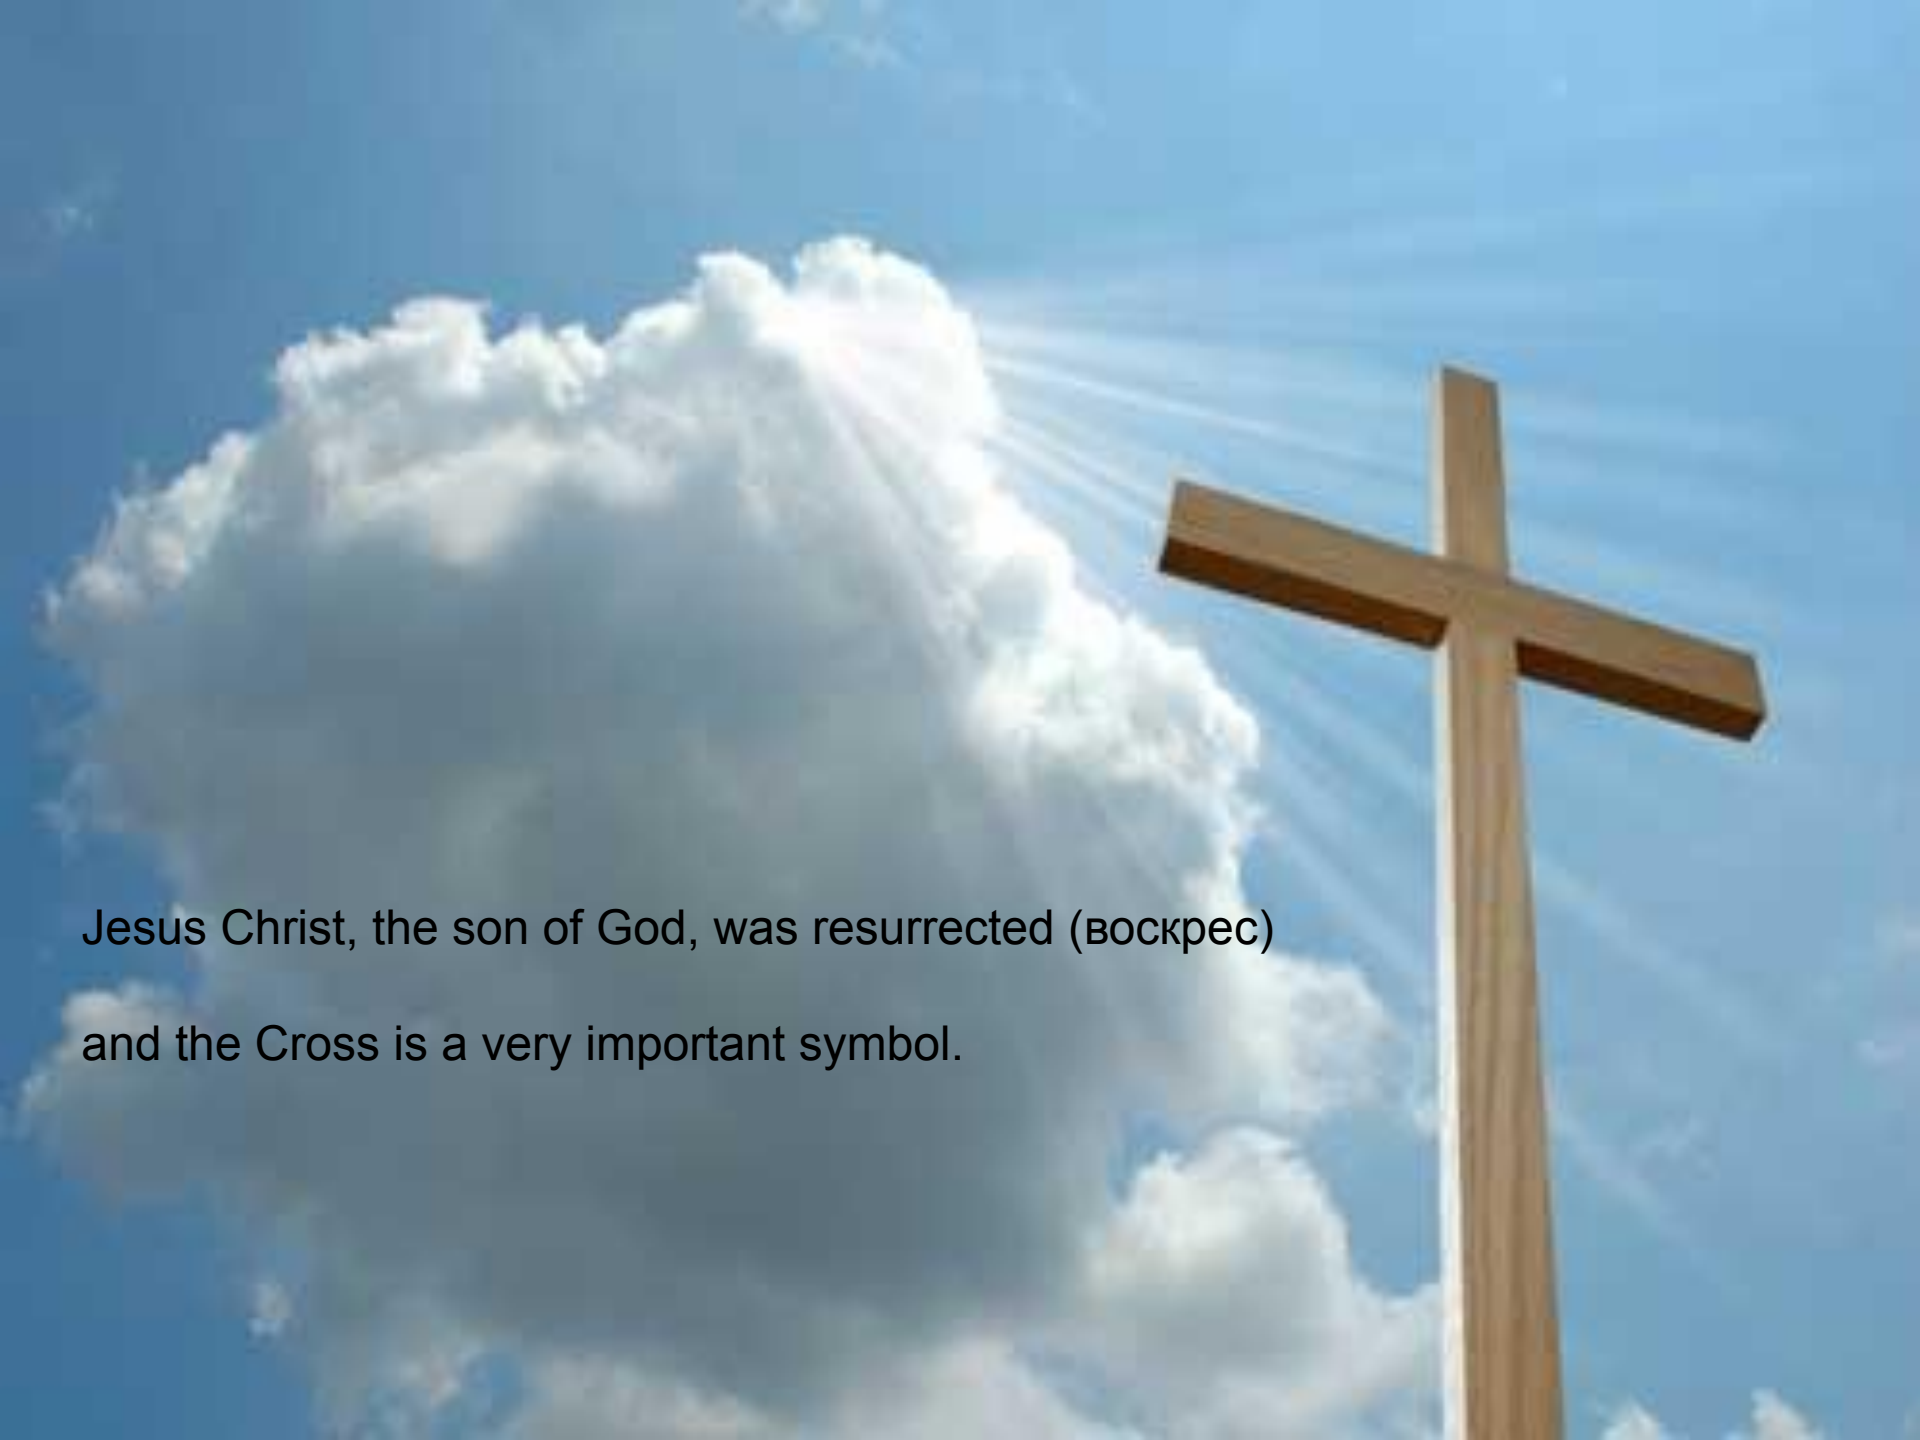

It occurs on the first Sunday after the first full moon.

It is
a religious
holiday.

It has some symbols.

A wooden cross stands against a bright blue sky. A large, fluffy white cloud is positioned to the left of the cross, with several sun rays emanating from its right side, passing behind the cross. The cross is made of light-colored wood and is oriented vertically with a horizontal crossbar.

Jesus Christ, the son of God, was resurrected (воскрес)
and the Cross is a very important symbol.

The egg is a symbol
of a new life.

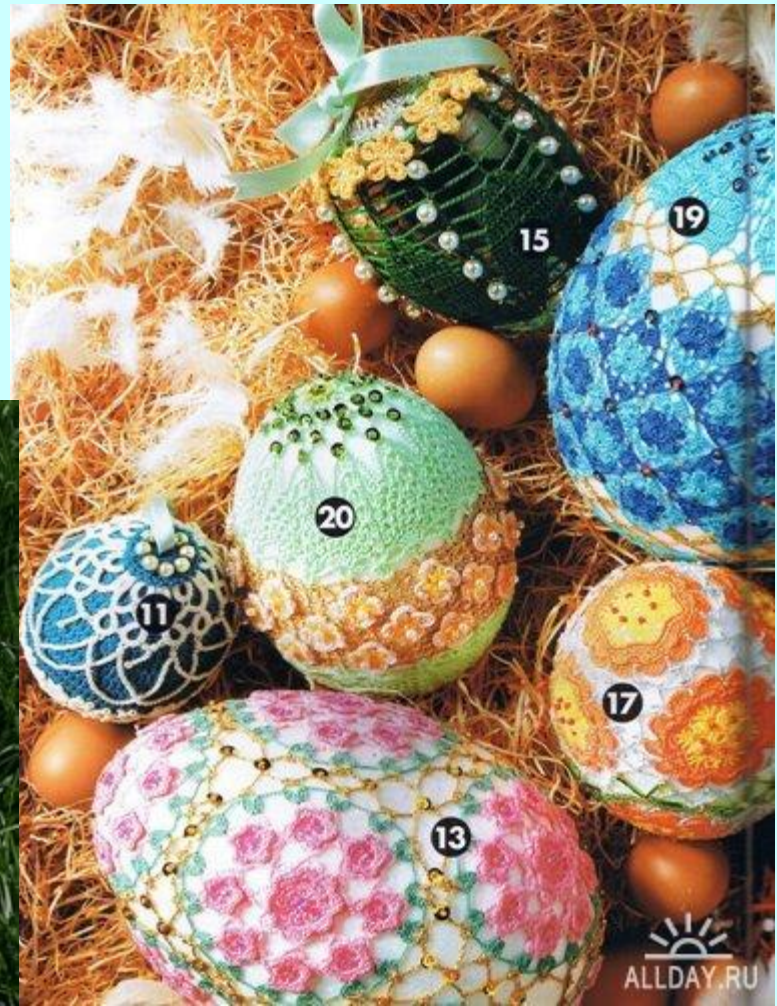

Easter eggs are mostly red and are very beautiful.

People decorate eggs

in many ways.

The rabbit is a very innocent (невинное) animal. It eats only grass.

And it is a symbol of the Moon.

Bunnies are brown, bunnies are white,
Bunnies are always on Easter delight.
Bunnies have ears all pinkish inside,
Bunnies all like to hop and to hide.

Bunnies are cuddly, the large and the small ...

...but I like the chocolate ones best of all !
