"town-forming" or "town-planning" establishments in Birst is the State Social-and-Pedagogical University. It was founded in 1939, which makes it one of the oldest establishments of higher education in Bashkortostan. The history of the Academy can be traced to the teacher courses of 1919 and the Bashpedtechnikum that was opened on their basis at the time foundation in 1939 it had only two faculties: that of the Russian language and literature and the faculty of physics and mathematics. Now there are 10 faculties which train teachers and mathematics, philology, biology and chemistry, foreign languages (English, French, German), pedagogics and psychology, methods

The youngest in the family are the faculty of physical training (opened in 2001), of technology and (private) business undertakings (opened in 2000), of arts and drawing (opened in 2000), of history (opened in 1998), of social psychology and pedagogics (opened in 2005). There is also a post-graduate course/study (aspirantura) in mathematics, chemistry, Russian and Soviet literature, pedagogics, English philology, 3 museums, a picture gallery, an agrobiological station, an arboretum, a student club, a sports club, a library, specialized studies and labs. The student family is 3500 students.

A remarkable new tradition has recently been established in Birsto. In 1995 the "Kreschenskiye Morozzy" Festival ("Epiphany Frost") of popular music and dance for young performers was organized for the first time. Its aim is to travel young talent and open the way to

a beautiful I-shaped lake, 8 km long and 7m in deep. Shadik is one of the most picturesque and poetic and beauty spots in Bashkortostan, beautiful in all seasons. Dense virgin forests, still waters of the lake, exhilarating clear air - all these call forth wonderful reminiscences and woods are rich in berries, mushrooms and herbs. There are recreation centers, campings, and holidays home on its shores. In winter there is excellent skiing and ice-fishing. Townsfolk like to
