- Exercises 13-14 pages 33-34

An aerial photograph of a city at sunset. The sky is a mix of orange, yellow, and light blue. In the center, a tall, cylindrical skyscraper with a glass facade and a domed top is illuminated with blue and green lights. To its right, several other skyscrapers are under construction, with cranes visible against the sky. The foreground shows a busy street with cars and buildings. The overall scene is a vibrant urban landscape during the 'golden hour' of sunset.
