

About Myself

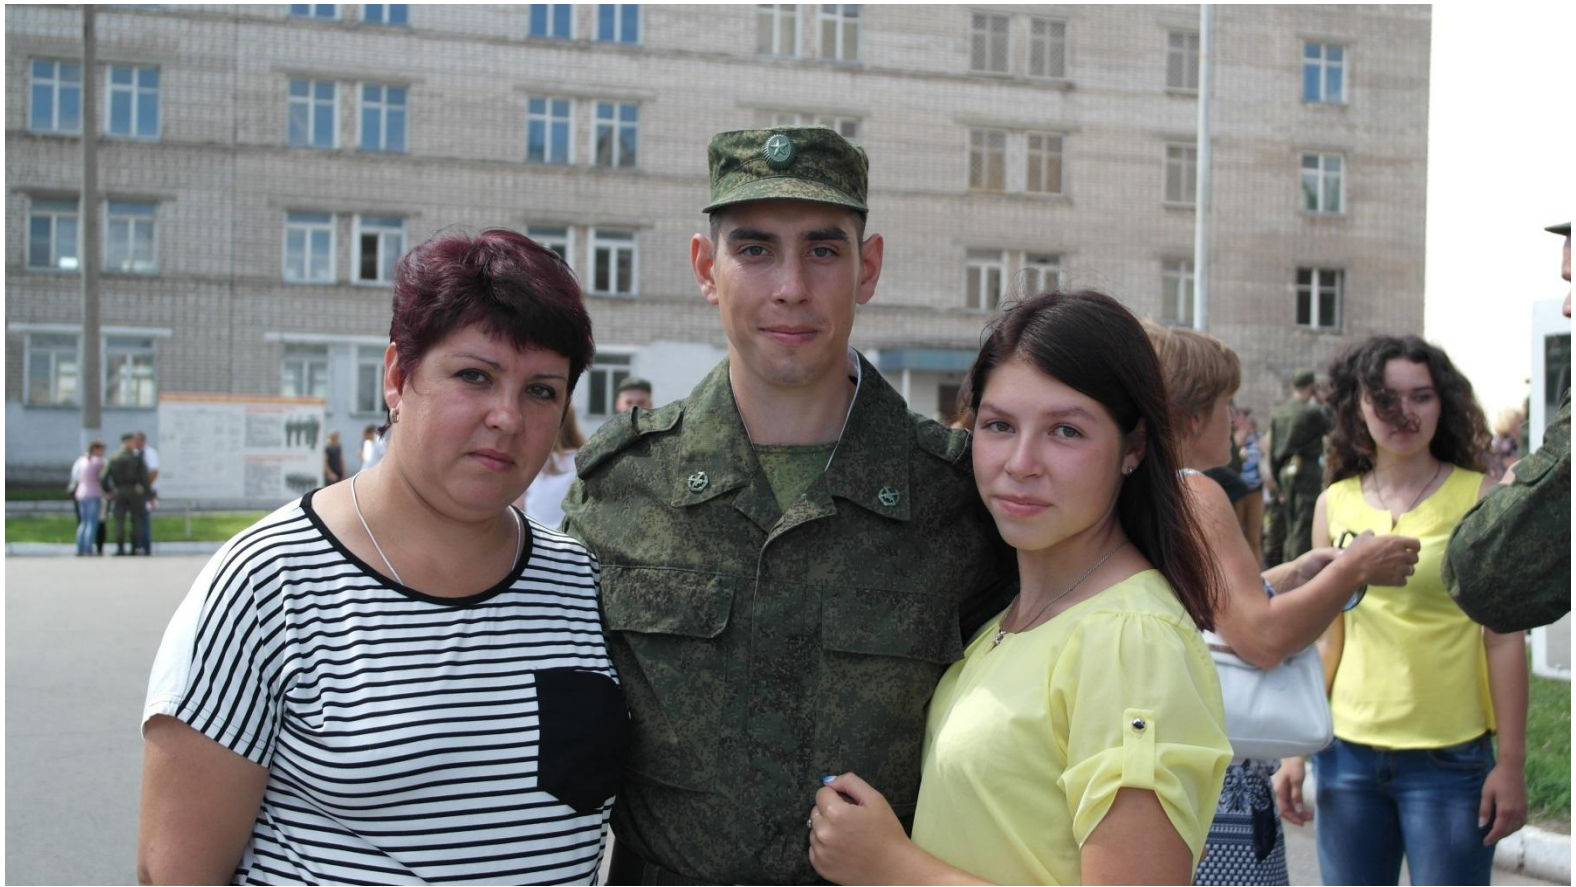

**My name is Irina Gonchar. I was born on
October 19, 1998.**

**I'm from Tuma, 100 km from Ryazan. Tuma-
very beautiful village.**

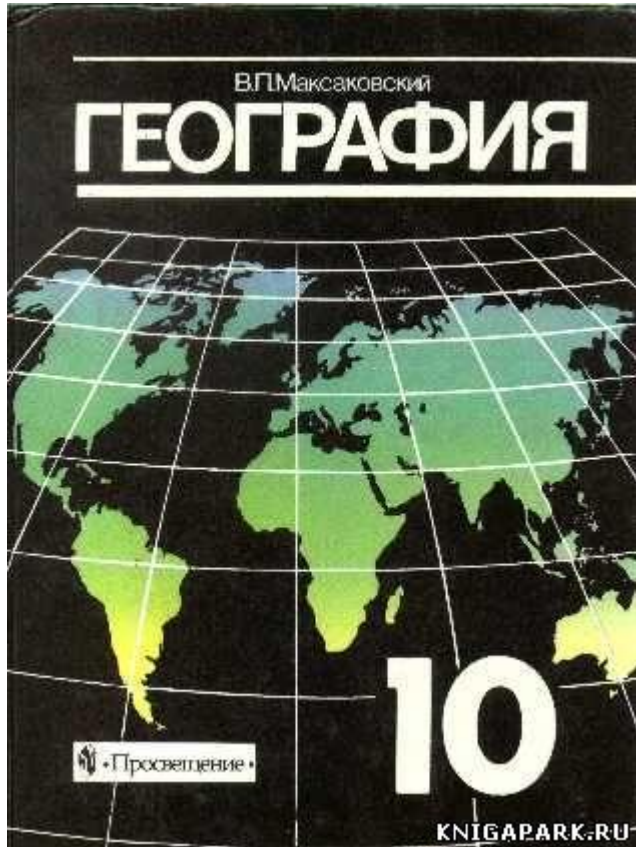

In the family I was not the only child. I have one older brother, who is now 23 years old.

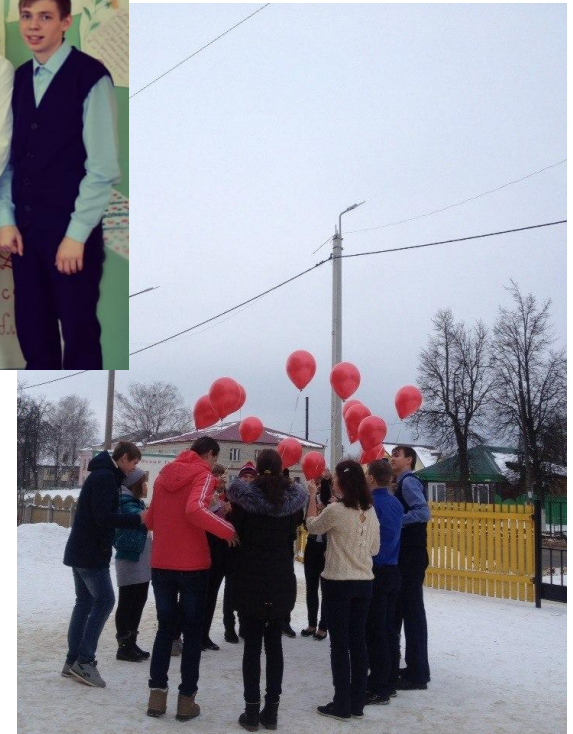

I am currently studying in Ryazan. I am a first year student of Ryazan State University named for S. Yesenin. I entered the faculty of Natural Sciences, majoring in ecology and nature.

● At school geography was my favorite subject. I always participated in various competitions. ●

Similarly, at school I loved to participate in various activities. Often arranged matinees for children.

In my free time from study, I love to read books and listen to music. I often go out with friends and visit their relatives.

Just like ice skating and rollerblading.

Thank you for attention.
