

A vibrant winter illustration. In the background, a wooden cabin is covered in snow, with a red chimney and icicles hanging from the roof. A small blue and black bird is perched on a mistletoe branch with a red ribbon. In the foreground, two children are standing in the snow. The girl on the left wears a blue knit hat with holly leaves, a red coat, and green mittens. The boy on the right wears a red knit hat with holly leaves, a brown coat, blue pants, and a pink scarf. The scene is set in a snowy landscape with evergreen trees in the distance.
