Parents' Day

A man with a beard and a woman are embracing on a balcony. The man is wearing a brown coat and the woman is wearing a purple dress. They are standing behind a stone railing with decorative balusters. The background shows a bright sky and distant mountains.

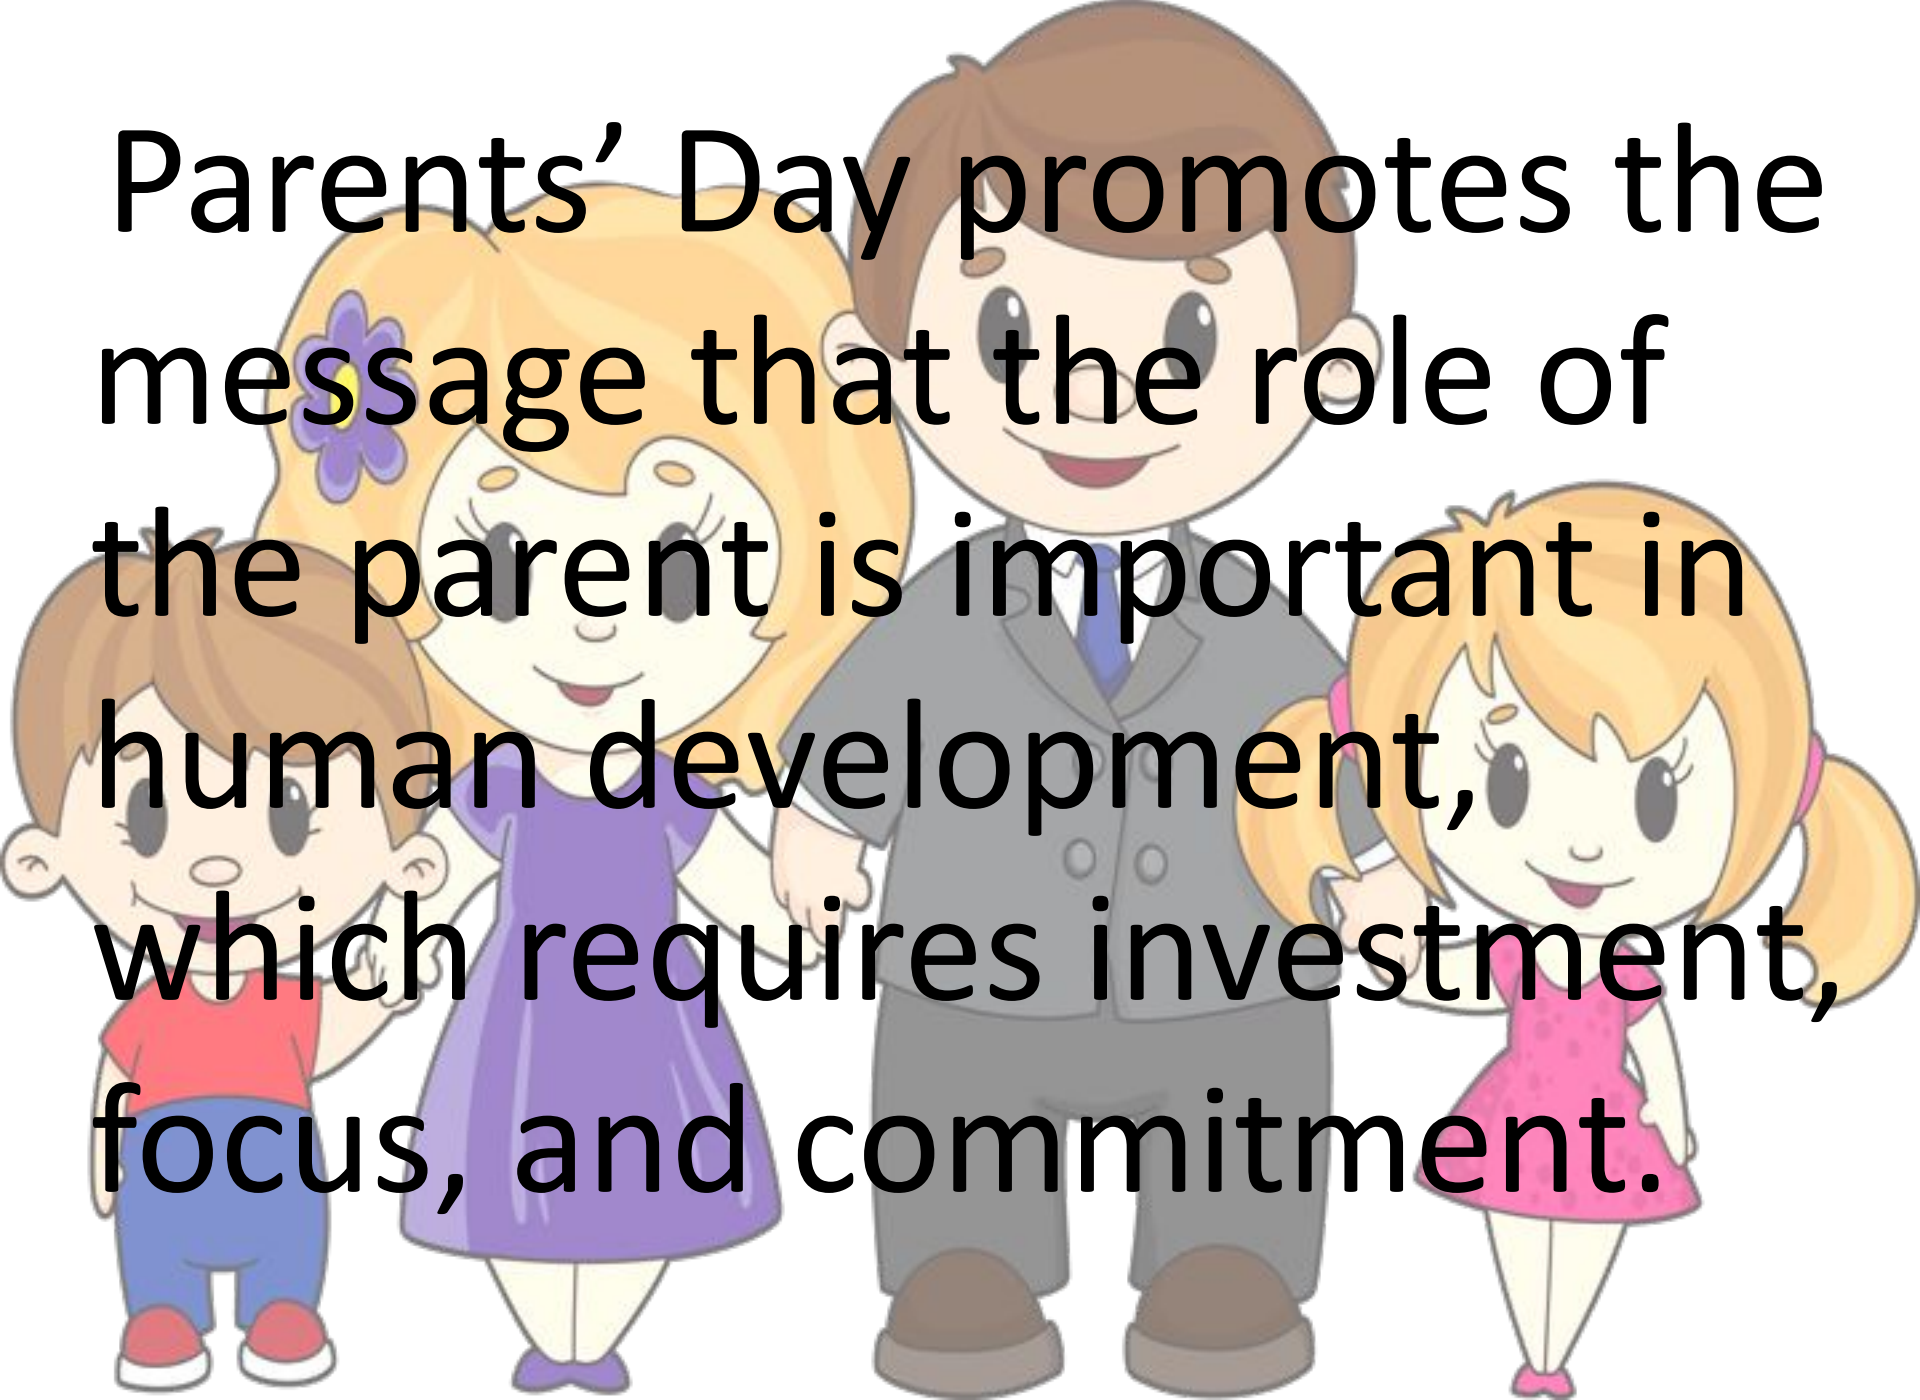

Parents' Day is celebrated on the fourth Sunday each year.

Special tributes to parental figures who are seen as role models are made through local announcements, at church services, or at local community events.

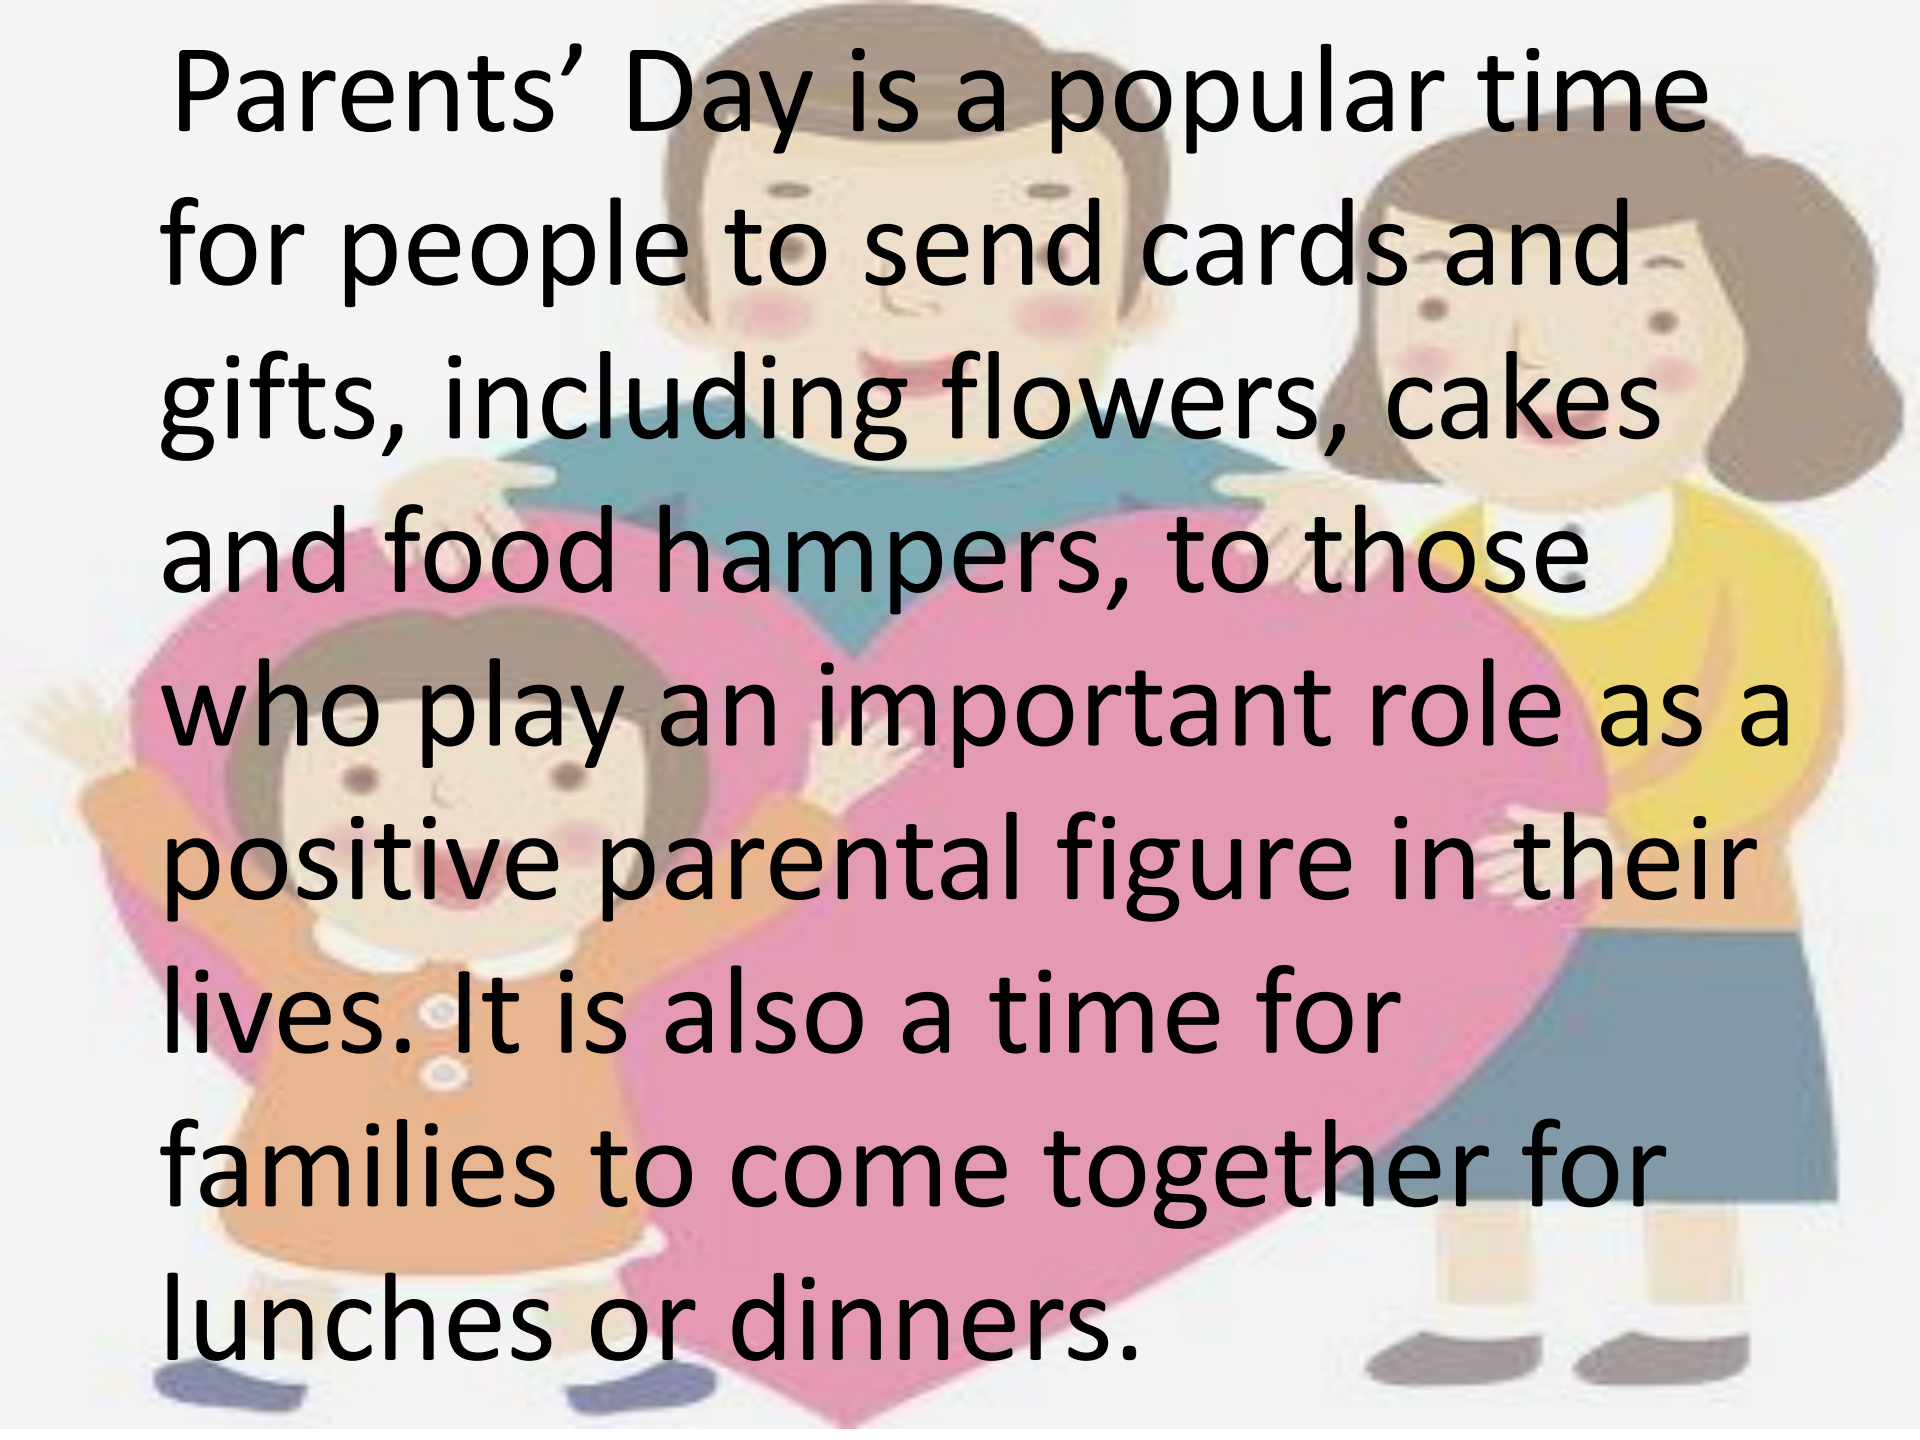

A photograph of a family of five, including a man, a woman, and three children, all dressed in formal suits and dresses. They are standing together in what appears to be an indoor event space with a doorway in the background. The man is in the back left, the woman is on the right, and three children are in the front row. The text is overlaid on the lower half of the image.

Exemplary parents from each state are nominated for “National Parents of the Year”.

Parents' Day promotes the message that the role of the parent is important in human development, which requires investment, focus, and commitment.

Parents' Day is a popular time for people to send cards and gifts, including flowers, cakes and food hampers, to those who play an important role as a positive parental figure in their lives. It is also a time for families to come together for lunches or dinners.

Mother's Day

A photograph of a woman with long brown hair, wearing a light yellow long-sleeved shirt and blue jeans, kneeling on her right knee. She is smiling warmly at a young child. Mother's Day is a celebration honoring mothers and motherhood, maternal bonds, and the influence of mothers in society. It is celebrated on various days in many parts of the world, most commonly in March or May.

The background of the slide features a row of seven cookies. The first cookie has the letter 'I', the second has a red heart, the third has the letter 'L', the fourth has the letter 'O', the fifth has the letter 'V', the sixth has the letter 'E', and the seventh has the letter 'M'. The text is overlaid on this background.

The modern holiday of Mother's Day was first celebrated in 1908, when Anna Jarvis held a memorial for her mother in Grafton, West Virginia. She then began a campaign to make "Mother's Day" a recognized holiday in the United States. Jarvis' holiday was adopted by other countries and it is now celebrated all over the world. In this tradition, each person offers a gift, card, or remembrance toward their mothers, grandmothers, and or maternal figure on mother's day.
