Exemplary parents from each state are nominated for “National Parents of the Year”.

Parents' Day promotes the message that the role of the parent is important in human development, which requires investment, focus, and commitment.

Parents' Day is a popular time for people to send cards and gifts, including flowers, cakes and food hampers, to those who play an important role as a positive parental figure in their lives. It is also a time for families to come together for lunches or dinners.

Mother's Day

Mother's Day is a celebration honoring mothers and motherhood, maternal bonds, and the influence of mothers in society. It is celebrated on various days in many parts of the world, most commonly in March or May.

The modern holiday of Mother's Day was first celebrated in 1908, when Anna Jarvis held a memorial for her mother in Grafton, West Virginia. She then began a campaign to make "Mother's Day" a recognized holiday in the United States. Jarvis' holiday was adopted by other countries and it is now celebrated all over the world. In this tradition, each person offers a gift, card, or remembrance toward their mothers, grandmothers, and or maternal figure on mother's day.
