Heathrow airport

London Heathrow Airport - the largest international airport in London. Is the third-busiest passenger airport in the world and first in Europe. So be careful and do not get lost postorajtes.

After landing, we find ourselves in the spam airport and [we can see.](#)

We can see that we need to go through passport control

But in another country will check very carefully.

Also, you may not be allowed into the country even for any fines.

Since most of the airport are built in a semicircle and [they are separated by...](#)

Looks like the Heathrow airport?

The airport is divided into two parts, one side to the other
departing passengers arrive.

If you`ll always go straight then do not miss anything.

[more](#)

Further you can anything...

- Sit in a café
- Withdraw cash
- Call up smb
- [Or go to the exit](#)

Output

Outside the airport check your documents.

In order to avoid that you could forget your luggage or something else.

[Next you go out
and getting...](#)

In London

In this city, a lot of interesting places that you can visit.

This is a beautiful city and the old town. For example worth a visit Big Ben, ArcelorMittal Orbit and many other places that are worth a visit.

An aerial photograph of London, England, taken during the golden hour of sunset. The River Thames flows through the center of the frame. In the foreground, the ornate Gothic spire of St. Martin-in-the-Fields is prominent. To the right, the massive London Eye Ferris wheel stands out against the sky. The city's buildings are bathed in warm, golden light, and the sky is filled with soft, colorful clouds. The text "Goodbye! Good flight you!" is overlaid in white, sans-serif font across the middle of the image.

Goodbye! Good flight you!
