

British football and football players

British football

- Football is undoubtedly the most popular sport in England, and has been played for hundreds of years.
- In the English Football League there are 92 professional clubs. These are semi-professional, so most players have other full-time jobs. Hundreds of thousands of people also play football in parks and playgrounds just for fun.
- The highlight of the English football year is the FA (Football Association) Cup Final each May.

British football

- The England National football team represents the country of England in international association football.
- England was one of the teams which competed in the 1st ever international association football match on 30 November 1872.

The first set of laws of the game of football, or soccer as it is known in the US, date from the formation of The Football Association in England in 1863.
