

Business trips

Borisova Katya
Class: 3122

The plan

- 1. Reasons of business trips**
 - 2. Some details of business trips**
 - 3. Meaning of business trips**
- 

There are many reasons of going on business there are:

- to make a contract;
- to discuss different terms of delivery, payment or shipment;
- to have tests;
- to do consultancy;
- to improve once professional skills;
- to work.

Itinerary of the trip is carefully planned by the head of the department or an executive

A diagram illustrating the classification of business trips. At the top, a blue banner contains the text "Business trip". Two blue arrows point downwards from this banner to two separate blue boxes below. The left box contains the text "Long term" and the right box contains the text "Short term". The background is a blurred image of business professionals in an office setting.

Business trip

Long term

Short term

Often an employee must give a financial report to the chief.

businessman has a chance to go sightseeing or to visit theatres, or just have some rest after the working day

business trips contribute to extension of business
relationship of company and help to succeed in the world
market

face to face contracts are more valuable
and useful for the matter

Thanks for your attention
