

Microsoft
corporation

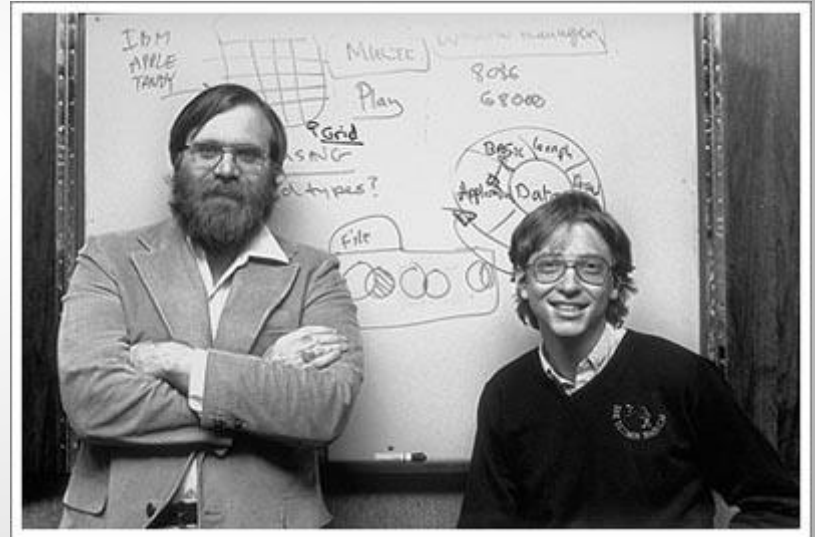

Created by Krutzkih E.
Zavarzina A.

The most popular company

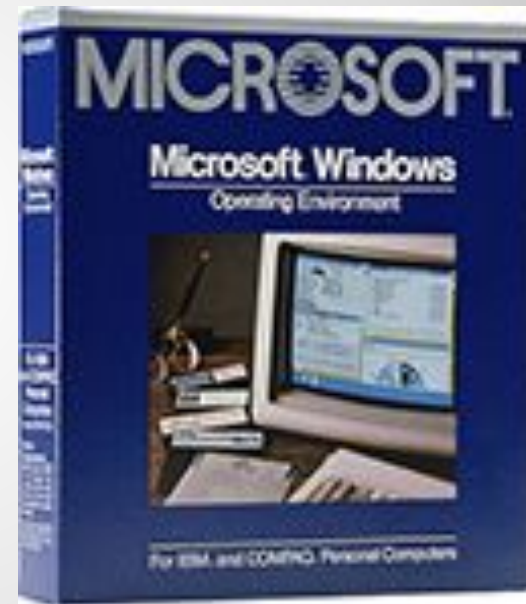

Widely using all over the world

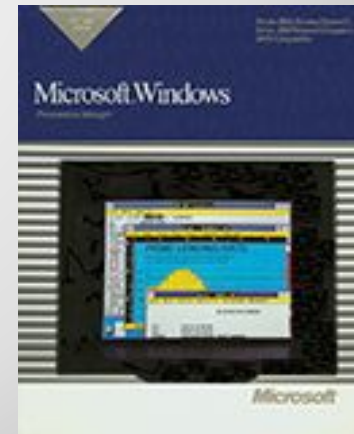

The long history

The first result –the beginning of great success

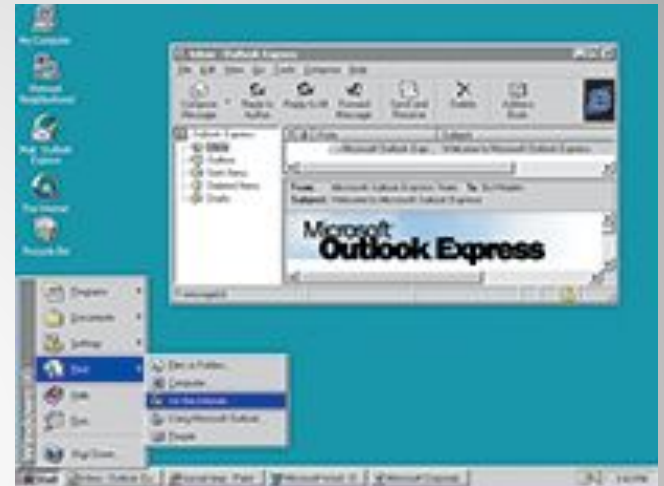

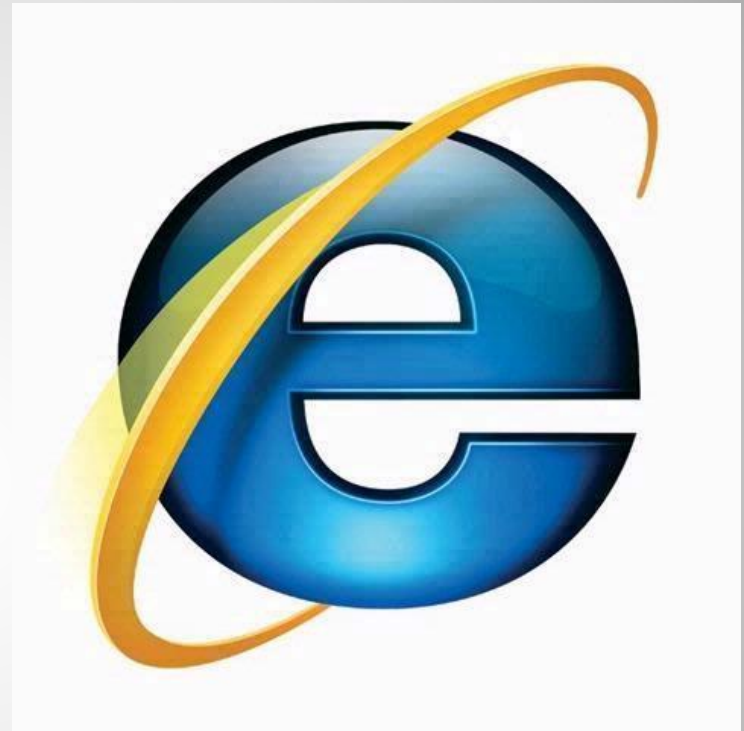

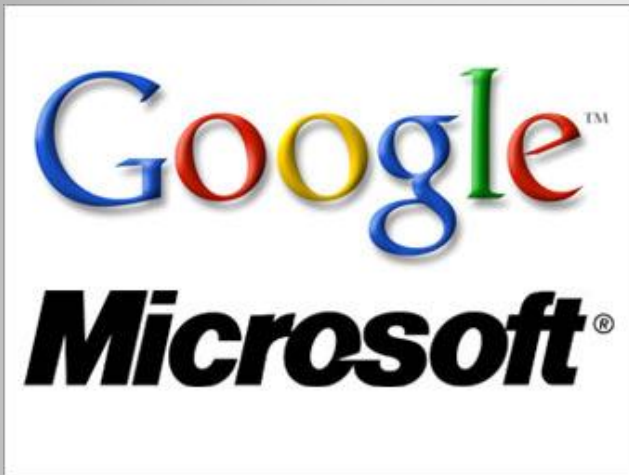

Developing the idea

**Every new
"child"
comes up with
the times**

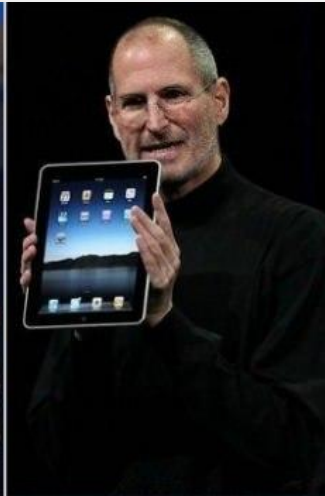

**Strong concurrence like a
motivation to work**

Creator of tablet PC 2002

2002: Билл Гейтс презентует первый в мире планшетный компьютер. Всем насрать.

2010: Стив Джобс представляет iPad. Общество сыт кипятком от охуения над новинкой.

2012: Стив Балмер показывает Surface от Microsoft. Яблофаги в ярости: идея украдена у Apple.

The breakthrough which changed the world

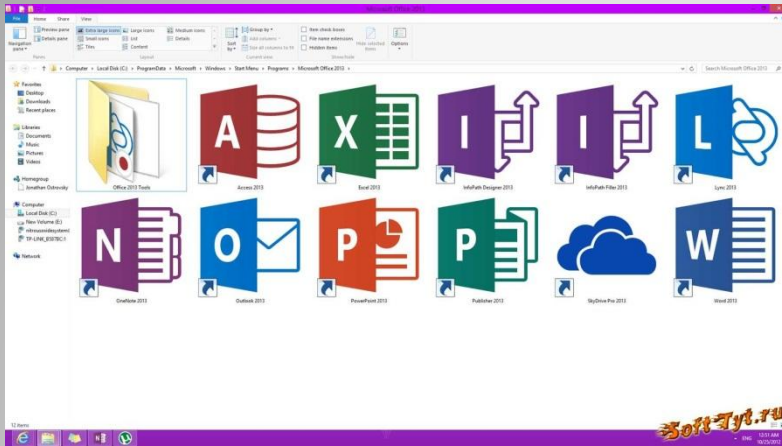

Windows Vista™

**Modern and convenient
opportunity instead of XP**

Achievements that can't be missed

Windows tries itself in the field of entertainment

**Second breath , great changes ,
creating of Windows 8**

Contract with famous phone corporations
