Egypt

Egypt is a country in North Africa and the Sinai Peninsula in Asia, so it is the country of two continents. In the north of the territory is washed by the Mediterranean, in the east by the Red Sea.

POPULATION

Egypt is the most populated country in the Middle East and the second largest population in Africa with a population of about 80.5 million people. About 90% of the population adheres to Islam.

CLIMATE

Egypt is within the subtropical and tropical climates, tropical desert climate prevails. Egypt is part of the Sahara Desert. Summer is very hot, the thermometer in the shade can sometimes approach the 50-degree mark, but at night is always much cooler. Winters are cooler, the day temperature in January usually range 20-25 ° C.

TOURISM

Tourism is one of Egypt's major revenue items. Therefore, the state strongly promotes the development of the industry. The most popular type of tourism is beach holiday combined with sightseeing excursions to the Pyramids and some other ancient sights.

MAKADI BAY

It is a picturesque resort located on the Red Sea, in a secluded bay between the resorts of Hurghada and Soma Bay.

Now Makadi Bay has opened more than 10 hotels, all of them have 4-5 *. Most of them belong to international chains, and provide a high level of service.
