*My school friend

I have a lot of friends, but the best friend of mine is Irina. She is my schoolmate. She has blue eyes, a round face, fair hair and a broad smile. She is short and slim. She is kind and friendly.(I have known her for a long time, since our first school years. But we became true friends a year ago.) We go to school, come from school together. We do homework together. Sometimes she and I go to the cinema and shop. We have much in common: sport and dancing, Biology and IT. We sit at the same desk: Irina and me.

* My favorite sport

Sport is very important in our life. It's popular among all peoples. Many people do exercises, jog and walk. Everybody may choose the sport he is interested in.

1. My favorite sport is swimming. Swimming is my hobby. I go to swimming - pool 4 times a week. In summer I go to the river or lake to swim. Sport helps me to keep in good health.

*The Internet

There is a number of different means of communication in modern world. They are internet, phones, communicators, web-cameras and so on. The Internet is a global system of interconnected computer networks. Millions of us have two different lives: one is in real world and other is online. In 2009 people celebrated forty years of Internet. In the Internet we can find everything: music, information about something or somebody, picture or photo, film. We can also chat with our friends or relatives. I think that Internet is useful means of communication.
