ДЕТСКИЙ САД

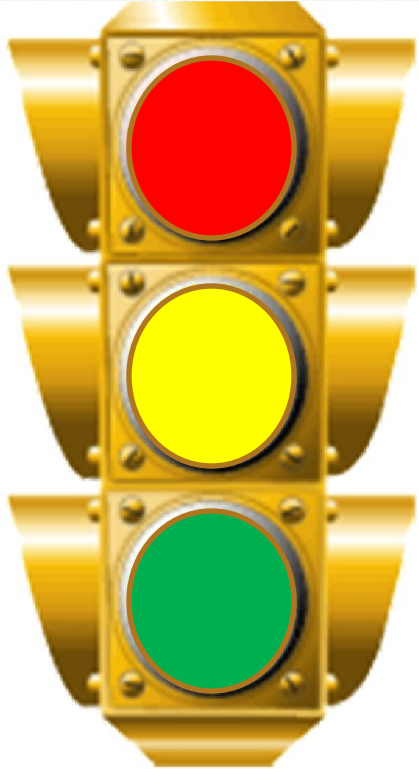

The image shows a colorful illustration of a children's garden building. The building has a light pink brick facade. In the center, there is a double door with a yellow sunburst design on each door. Above the door is a pink sign with the Russian text "ДЕТСКИЙ САД" (Children's Garden) in yellow, bold, stylized letters. There are four windows, two on each side of the door, each with a white frame and a pink awning above it. The windows have light blue panes. In the foreground, there are two white flower pots on either side of the entrance, each containing yellow and orange flowers with green leaves. The ground is a light blue-grey color.
