- 6) The national-cultural ethics (in relation to ethnic minorities);
- 7) confessional ethics (in relation to the religious beliefs of consumers);
- 8) <u>legal ethics and legal</u> (with respect to compliance with laws and regulations, human rights);
- 9) <u>corporate ethics</u> (in relation to competitors):
- 10) <u>Language ethics</u> (in relation to the use of words,incomprehensible to most consumers, or profanity);

the most ethical in the world of advertising

• • •

But actually runnig ads like this:

Panasonic

McDonalds

Яndeх

and even ethical advertising of cigars

But all the spoils unethical advertising.

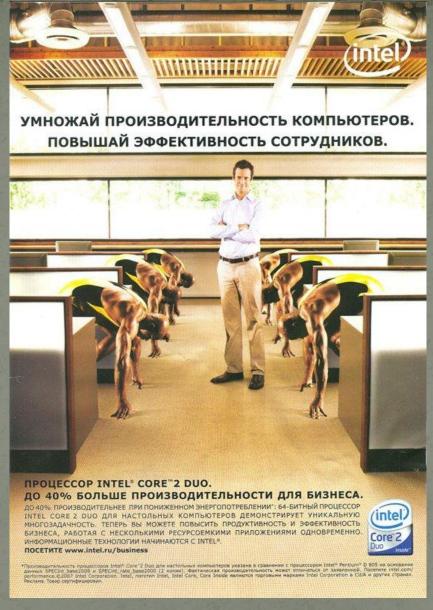

Even a good cigar.

banned for using profanity

or for offensive play of words

racial discrimination

promotion of violence

короче

someone good?

From a social perspective, unethical advertising should be banned.

From the perspective of a successful business, absolutely ethical action is extremely small.

The choice is yours!

Thank you for your attention =)
