Future

Future Perfect

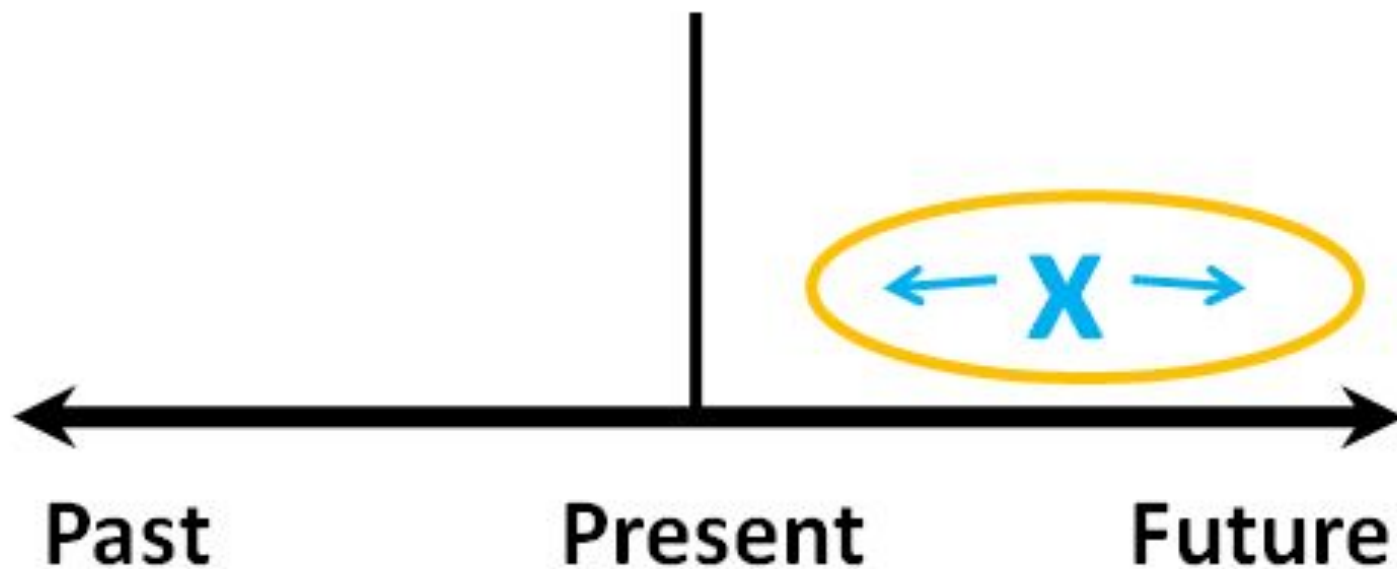

Will have/ shall have + V₃/ -ed

- The Future Perfect expresses the idea that something will occur before another action in the future. It can also show that something will happen before a specific time in the future.
- With Non – Continuous Verbs and some non-continuous uses of Mixed Verbs, we use the Future Perfect to show that something will continue up until another action in the future.

Future Perfect

(will) + (have) + (past participle)

(am / is / are) + (going to) + (have) + (past participle)

Future Continuous

Will be / shall be + V_{ing}

- The most common use of the Future Continuous Tense is to describe an activity that will occur in the future and continue for a certain period of time.
- The Future Continuous is also used when we talk about an activity that will continue over a period of time from now into the future

Future Continuous

(will) + (be) + (present participle)

(am / is / are) + (going to) + (be) + (present participle)

Future Perfect Continuous

Will have/ shall have + been + Ving

- Using the Future Perfect Continuous before another action in the future is a good way to show cause and effect.
- Like all future forms, the Future Perfect Continuous cannot be used in clauses beginning with time expressions such as: when, while, before, after, by the time, as soon as, if, unless, etc. Instead of Future Perfect Continuous, Present Perfect Continuous is used.
