

Good and bad guys

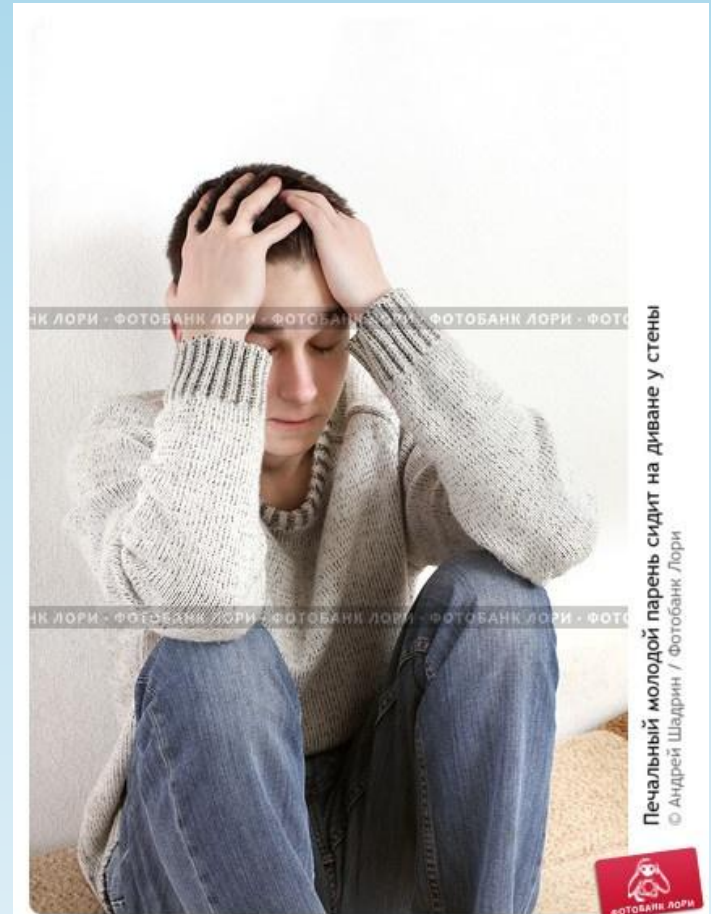

Have friends priceless

Very good if you have a friend, a true, that not leave in the lurch.

All are terribly

In the life of every teenager comes a time when he thinks that he does not need that life is not as wonderful as it seemed.

Away from home

In desperation teen may run away from home, not knowing what might be the consequences.

Are you crazy?

Hasty decision is so characteristic of our age.

A lot of topics for quarrels

How many people, so many reasons to quarrel.

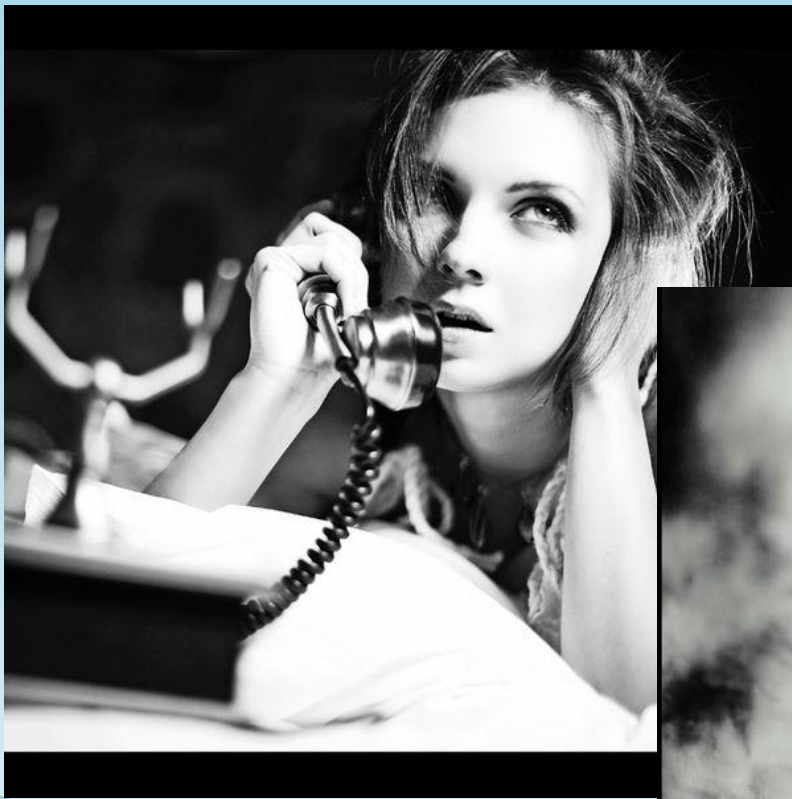

What's wrong with your friends?

Modern teenagers are very spoiled personality, habits among young people, a common phenomenon.

Telephone bills? Some ridiculous!

Without communication a person can not live, especially when greatly saddened by another person.

Perhaps they never loved...

Sooner or later comes to teenage love, it makes him do sometimes nonsense.

I understand you

Problems exist at all, but they need to be addressed.

You grew up, but they do not understand it

For our parents, we probably will stay forever young kids. Yes, even in 40 years=D

I am a fool

Over time, we understand that mistakes made.

Love your parents

Parents are ready for their children, appreciate him.

Thank you for your attention
