- Great Britain is located on the British Isles.
- They are separated from the continent by the North Sea and the English Channel.
- The western coast of Great Britain is washed by the Atlantic Ocean and the Irish Sea.

Great Britain consists of England, Scotland and Wales and DOES NOT include Northern Ireland.

But in everyday speech «Great Britain» is used to mean THE UNITED KINGDOM (the UK).

LONDON IS A CAPITAL OF GREAT BRITAIN

Its political, economic and commercial centre and the largest city in Europe.
The population of London is about 8 million people
when the population of Great Britain is about 63m.

Traditionally, London is divided into several parts: the City, Westminster, the West End and the East End. They are very different and people have a feeling that these parts belong to different towns and epochs.
