

Great Britain

THE HISTORY

The geographical position:

- *The United Kingdom of Great Britain and Northern Ireland is situated on the British Isles – a large group of islands lying off the north-western coast of Europe and separated from the continent by the English Channel and the Strait of Dover in the south and the North Sea in the east.*
- *The British Isles consist of two large islands – Great Britain and Ireland.*
- *Historically the territory of the United Kingdom is divided into four parts: England, Scotland, Wales and Northern Ireland.*
