Haggis may be a beast of the Highlands that
lurks into the cities at night, like a fox', as
believed by many. Some people think it is a
traditional Scottish music instrument or a
character from a Harry Potter book.

HAGGIS, EVERYONE, IS SCOTLAND'S NATIONAL DISH AND
PROBABLY ONE OF SCOTLAND'S MOST FAMOUS ICONS

This Scottish delicacy is a sausage-like dish or
savory pudding that combines meat with
oatmeal, salt and spices. Honestly, it's much
tastier than it sounds!

In fact, it's one of my favorite traditional
Scottish foods

And in preparation
for Burns Supper, why
not test your knowledge
and find out
some interesting facts
about Robert Burns ?

Traditionally served on
the 25 January, the
anniversary of Robert
Burns' birth, it's the
crowning glory of
a Burns Night .
