

HAGRYD, AND HIS SELF-CONCEPTION.

Four elements of Hagrid's self-conception.

- ▣ *The material self:* Hagrid's appearance was very sloppy. He almost always wore a brown leather coat and big brown boots. Growing a beard.

Four elements of Hagryds self-conception.

- ▣ *The social self:* Cheerful and irresponsible half-giant, half-man. Sometimes a little silly but good and faithful.

Four elements of Hagryds self-conception.

The psychological self: Good-natured and jovial help all around. He loves animals.

Four elements of Hagryds self-conception.

- ▣ *The ideal or spiritual self:* The absolute lack of any plans for the future. Solves all on the go and live for today.

Hagrid's Descriptive and Evaluation elements.

- ▣ *Descriptive element:* I'm old man with brown hair and long beard.
- ▣ *Evaluation element:* I'm old man and its very good because I can do what I want.

- ▣ 1) Observations: In the beginning, when Harry and Hagrid has a first meet. (16:45).
- ▣ 2) Altercasting: When Hagrid, Harry, Ron and Hermione look at the little dragon in Hagrids house. (01:47:23).

Its all. Goodbye.
