

HAPPY BIRTHDAY

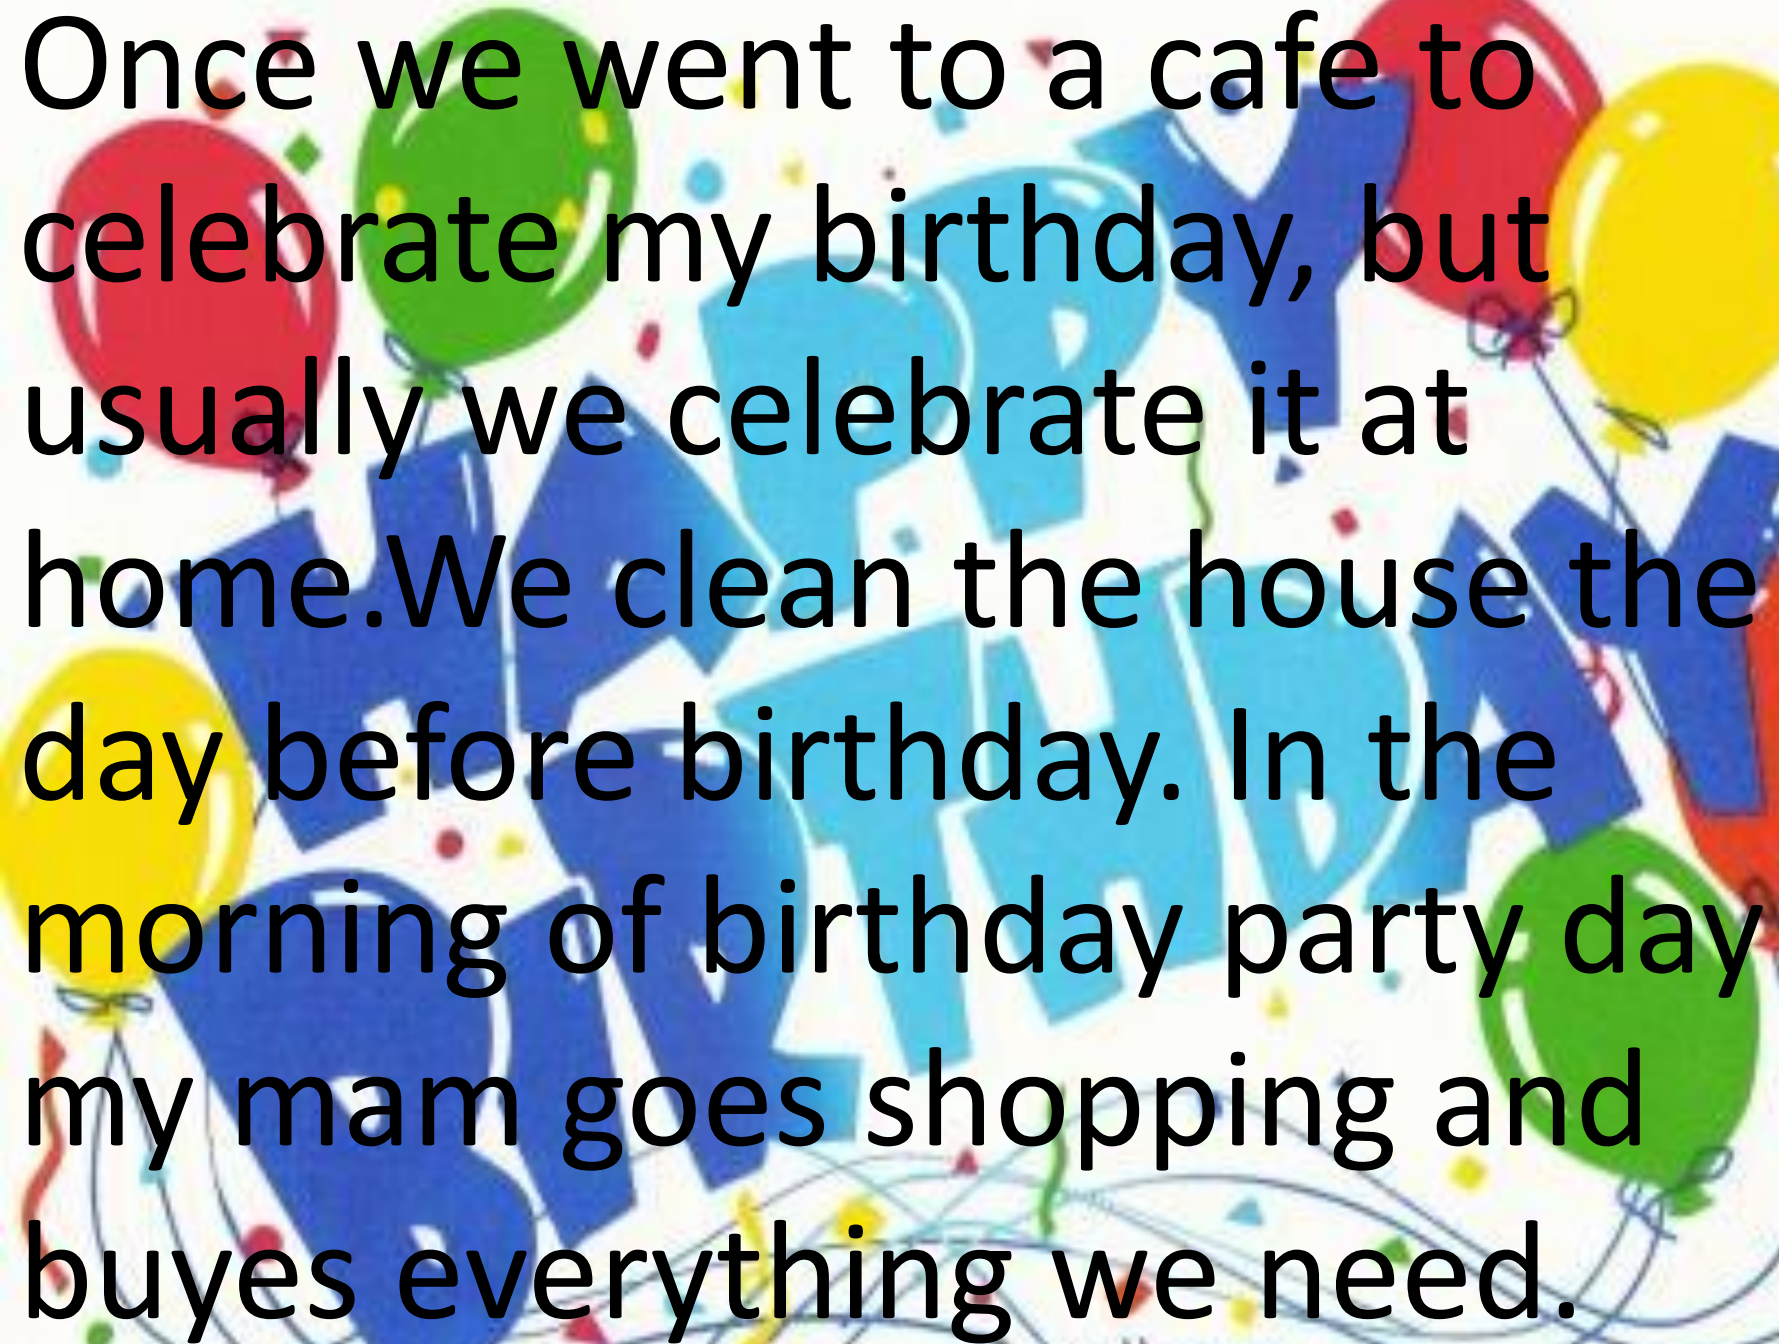

Romanovskiy Eduard

Birthdays are a very wonderful day. Everybody likes to celebrate it. It is a good opportunity to spend time with friends, parents, relatives. I was born on the 26th of January.

In the morning on my birthday my parents lay the presents near my bed. So the first thing I see when I open my eyes is my presents. My Mam and my little brother come to my room to congratulate me and to sing "Happy Birthday". Usually we hold my birthday party in the evening.

Once we went to a cafe to celebrate my birthday, but usually we celebrate it at home. We clean the house the day before birthday. In the morning of birthday party day my mam goes shopping and buyes everything we need.

*By the evening food is cooked,
the table is layed. We put on
evening suits and dresses and
wait for the guests. The flat
looks nice and cosy. I am
always very glad to meet my
guests. I like to get presents.*

We have an abundant dinner on this day. Mam brings in the birthday cake. I blow the candles out . We dance and sing songs, play games and augh, joke, tell funny stories. I think that my birthday is one of the best days in a year.
