Happy Halloween

Halloween is one of the most famous festivals in America and England

- Today I want to talk about those who force children cry at night, on whose type tingling all over the skin... I'll talk about the horrors of darkness...

Happy Halloween

Boogieman

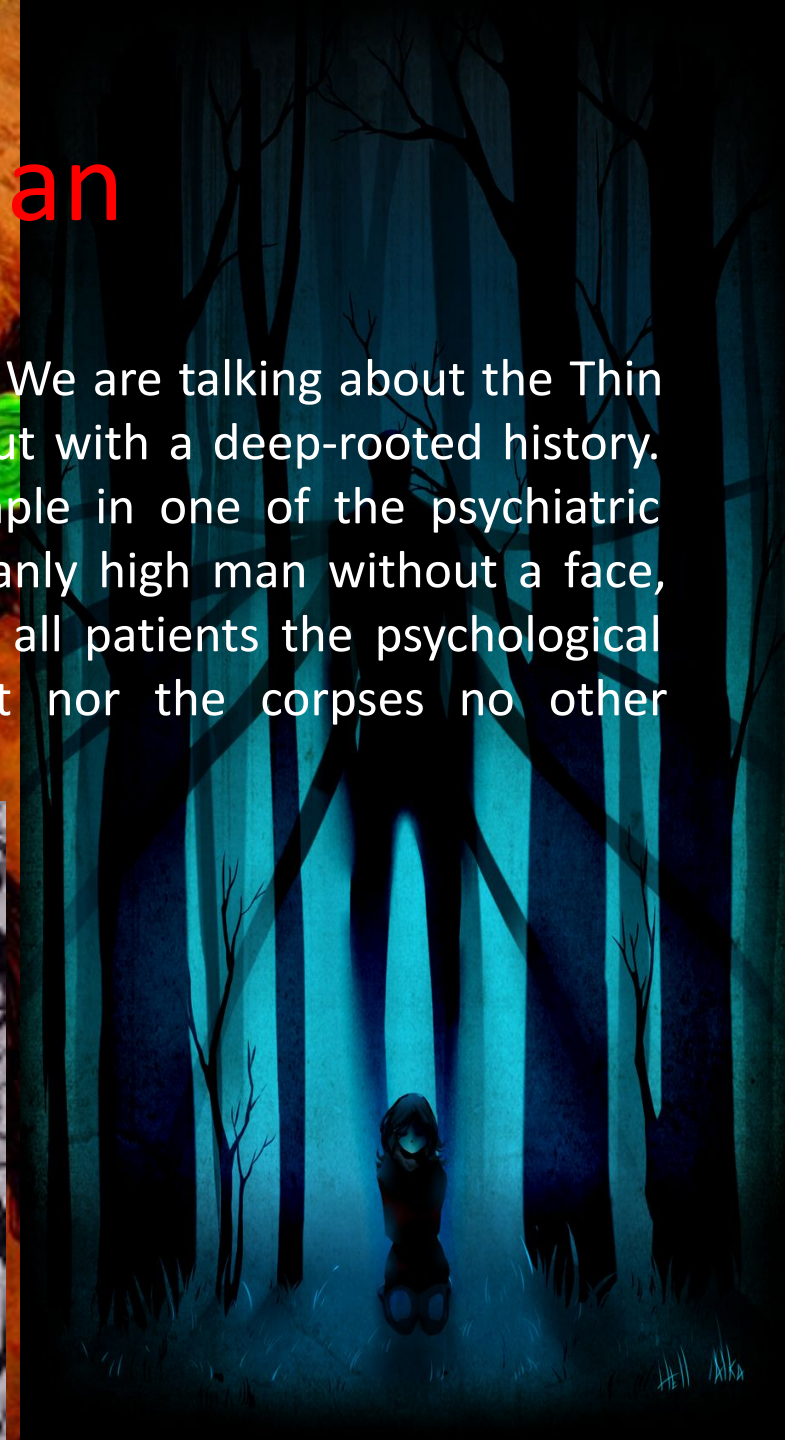

- Boogeyman one of the most famous monsters in many cartoons, films and stories. Boogeyman made hastily. It is chock-full of bugs under children's beds and in closets chewing digested children through

Happy Halloween

Slender man

- The great and terrible man without a face. We are talking about the Thin man. This is a relatively new nightmare, but with a deep-rooted history. Many facts prove his existence. For example in one of the psychiatric clinics of America, the patient saw inhumanly high man without a face, dressed in a formal suit. After three days all patients the psychological institutions disappeared, neither the left nor the corpses no other evidence.

Jeff the killer

• "Go to sleep" "go to sleep" is a trademark phrase of the next of our monster, but most likely it is a maniac and not a monster. It goes some things about Jeff murderer, about a teenager with a very tragic history. Family Jeff moved into a new house in a prestigious area. All went well, but the first day at school and a fight ensued. Jeff grabbed the offender knife and stabbed him in the shoulder. When the night in their house, police arrived, the older brother Jeff lied that he beat the guy. Since then psyche Jeff stumbled. At the bottom of the birth of a boy on Jeff again attacked and threatened with a gun. He ran into the house, but there he was caught and was hit with a bottle on the head. Jeff broke out and grabbed a scrap. He smashed the head of the offender the crowbar, but he threw it lighter. Liquid burst into flames and Jeff began to burn. He came to in the hospital, Ged his mind is completely broken. After two nights reason he had burned himself eyelids and cut his mouth from ear to ear and then killed his entire family.

Happy Halloween

Pyramid Head

- Grim Reaper town called silent hill. Unreal strong and very fast monster with the cap in the shape of a pyramid. The head of the many monsters in silent hill. Wears an apron of human skin, his guns instead huge knife.

Happy Halloween

Dracula

- Count Dracula one of the most popular Halloween monsters. Prince of darkness and simply evil blood-sucking with millions of fans. Dracula can say so much, but the time we have is not enough. In short, Dracula isn't a type of vampire where it is cute and lovely, acclaimed as Edward Cullen from twilight (P.S. the author of this text hates Edward). Lives Dracula in Transylvania in its ancient castle. If you are "lucky" to meet him in a dark alley, on the one classmate will be less.

Happy Halloween

Werewolf

Werewolf he takes pride of place on the pedestal of horror. Firstly, because the fans have said so. Secondly, werewolves very creepy creatures. Each full moon, man turns into a monster. Werewolf looks like a huge wolf, wild-eyed. Sight terrifying, till the blood run cold. Powered werewolf everything from Prime beef up holey socks. But these monsters fans make these lovely creatures.

Happy Halloween

Predator

- Before us the king of the hunt, the ruler of the rivers of blood and just another horror space. Predator - galactic hunter on anything that moves. His trophies this is the skull of his victims, but if the victim was too weak for the hunter, he just rips her skin and hangs upside down.
