

A large sea turtle is swimming in clear, deep blue water. The turtle is the central focus, moving towards the right. Its shell is a mix of brown and tan colors with distinct scutes. The water is filled with numerous small, striped fish, likely damselfishes, scattered throughout the scene. The lighting is bright, suggesting a sunny day underwater.

**Have you ever dined
underwater?**

ITHAA UNDERSEA RESTAURANT

Dine five meters below the surface of the ocean, in the world's first undersea restaurant, with panoramic coral garden views and fusion menus matched with fine wines.

INSPIRE YOUR SENSES

The set lunch and dinner menus, matched with a wine concept, showcase local flavors blended with Western influences. Our trailblazing restaurant is also open for mid-morning cocktails.
