

Hi!

My name's Alyona.

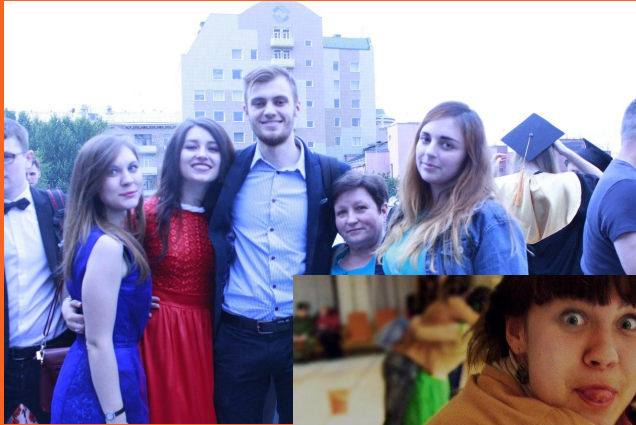

I'm 22 years old.

**I love cats, red colour
and my laugh is very loud))**

My family included my Mommy, Dad and oldest brother. But my brother don't like be photographed. That's why you can see only my lovely parents on this photo.

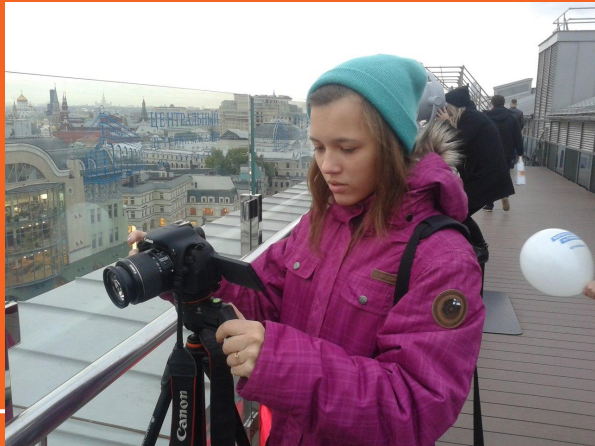

My friends is my second family.
I spend a lot of time with them.

I graduated from Moscow State Pedagogical University, department of journalism. I had very active life and learning on my faculty.

Nowadays I work in a Children's Television Center of the Moscow Department of Education as a teacher of journalism and operator skill. I also study in magistracy.

I'm very active person and I have many hobbies: vocals, dance, arts, videography and photography. And I very love travelling.

Thank's for attention)

(and if you want to come up with something interesting, I will be your accomplice)
