

HOW ARE YOU?

HOW ARE YOU?

- I'm AWAP (as well as possible)
- I could complain but I'm not going
- Upright and still breathing
- Thanks for caring babe. Glad to be here with you.
- Better than yesterday but not as good as I will be tomorrow
- I am

HOW ARE YOU?

- Wondering how you are
- Strange and getting stranger
- Do you want the short version or the long one?
- Shhhhhh. It's a secret.
- I'll leave that up to your imagination.
- I've been better.
- Not my best day, but not my worst day, either

HOW ARE YOU?

- Give me a chocolate bar and I'll be fantastic
- Not in the mood to discuss how I feel, but thanks for asking – it really helps to know you care.
- Same old, same old (nothing changes)
- Improving.
- Keeping busy
