

INTERNATIONAL RELATIONS

Prepared by
Dzhemesiuk Igor
IRS, II years

HOW CAN YOU LEARN FROM INTERNATIONAL RELATIONS

- As a graduate of International Relations, you will be familiar with the functioning of international cooperation platforms and you will be able to analyse domestic problems in the international perspective. During your studies, you will learn two foreign languages, including one at B2 level according to the Common European Framework of Reference for Languages

WHERE YOU CAN CHOOSE SPECIALTIES SUCH AS:

- ◉ **Cross-Border Cooperation and International Business »**
- ◉ **Diplomacy and International Lobbying**

AFTER THE INTERNATIONAL RELATIONS I CAN WORK IN:

- ◉ institutions and offices of the European Union,
- ◉ diplomatic posts,
- ◉ state administration bodies,
- ◉ international, governmental and non-governmental organizations,
- ◉ consulates and missions of foreign states in Poland,
- ◉ research and development institutions,
- ◉ cultural and educational institutions,
- ◉ insurance, finance and leasing companies,
- ◉ companies operating on international markets,
- ◉ mass media,
- ◉ advertising, marketing and publishing agencies,
- ◉ freight forwarding companies operating internationally.

⦿ Thank you
