# IFMSA Vision & Mission

**IFMSA**  
International Federation of  
Medical Students' Associations

## VISION

*"A world in which all medical students unite for global health and are equipped with the knowledge, skills and values to take on health leadership roles locally and globally."*

## MISSION

"IFMSA unites medical students worldwide to lead initiatives that impact positively the communities we serve. IFMSA represents the opinions and ideas of future health professionals in the field of global health, and works in collaboration with external partners. IFMSA builds capacity through training, project and exchanges opportunities, while embracing cultural diversity so as to shape a sustainable and healthy future."

# IFMSA

- 6 Standing Committees
- Meetings:
  - General Assembly: March Meeting, August Meeting
  - Regional Meetings: Europe, Asia-Pacific, Americas, Africa, EMR
  - Professional & Research Training (PRET): Turkey, Egypt, Indonesia, Mexico...

## Standing Committees:

medical  
**students**  
worldwide

- Partners with
  - **Association for Medical Education in Europe (AMEE)**
  - **World Medical Association (WMA)**
  - **World Federation for Medical Education (WFME)**
  - Research Center in Emergency and Disaster Medicine and Computer Science applied to Medical Practice (CRIMEDIM)
- UN Agencies & Programs: UNESCO, UNAIDS, PMNCH, UNFPA, UN Women etc.  
involved in policy making about Post2015 Sustainable Development Goals etc.
- Delegations to EU institutions, World Health Assembly of WHO

# IFMSA Exchanges

**IFMSA**  
International Federation of  
Medical Students' Associations

- Exchange of
  - Students
  - Ideas
  - Experiences
  - Competences
- Numbers:
  - More that 1,100 Medical Schools involved
  - 97 Countries
  - More than 10,000 students per year
  - More than 225,000 students throughout history
  - Largest Student-Run Exchange Program in the World

**SCORE**  
Research Exchange

medical  
**students**  
worldwide

# Exchange Aims

**IFMSA**  
International Federation of  
Medical Students' Associations

- Educational experience, filling the gap in the regular Medical Curriculum
- Cultural Experience
- Additional training to the regular medical curriculum
- Exposure to different health care systems
- Providing students with the ability to be more active in designing their medical education
- International understanding
- Co-operation among medical students from all over the world
- Broadening students' understanding of medical and social conditions

**SCORE**  
Research Exchange

# How to ensure AQ

**IFMSA**  
International Federation of  
Medical Students' Associations

- Good selection of outgoings
- Good recruitment of tutors
- Research Projects revised by Supervising Board
- Dedicated and well-trained team on all the levels (local, national, international)
- *Outgoing preparation, Pre-Exchange Training and Upon Arrival Training*
- *AQ Logbook*
- *IFMSA SCORE Certificate*
- *Students report and scientific report*
- *Evaluation form*

medical  
**students**

# Outgoing preparation

**IFMSA**  
International Federation of  
Medical Students' Associations

- Outgoing selection: motivated students
- Pre-Exchange Training:
  - Prepare outgoing students: international mindset, culture shock, expectations, practical tips
- Preliminary reading of the scientific subject

**SCORE**  
Research Exchange

medical  
**students**  
worldwide

# Academic Quality Logbook

**IFMSA**  
International Federation of  
Medical Students' Associations

- Regular Assessment
- Final evaluation of the student's performance
- Students' feedback & assessment of learning goals

**IFMSA Research Exchange Program  
Logbook for Academic Quality**
