

Islamophobia: Muslim in America

In New York, a sixth grade girl was attacked on the playground and called a member of the Islamic State **for wearing a hijab.**

One woman in Toronto **was called terrorist**, punched in the stomach and face, and her hijab was wrenched off her head.

Another woman in Toronto was violently shoved against a wall and told to go back to her country, even though she was not Muslim and was wearing a scarf over her ears because of the cold.

"... Every student should have a Muslim lab partner, because if something blows up, they have someone to blame."

"I said it was a Muslim name. Then she said, 'Muslim? Oh, you guys are terrorists.'"

**Muslims live in fear that they will be attacked
Americans live in fear that Muslims will attack
them.**

"Donald J. Trump is calling for a complete and total shutdown of Muslims entering the United States until our country's representatives can figure out what the hell is going on."
