

The background is a monochromatic blue scene. It features a film strip that winds across the frame from the top left towards the bottom right. In the lower-left foreground, a movie camera is visible, with its lens and various mechanical components clearly defined. The overall aesthetic is that of a classic film industry graphic.

# *Кинематограф*

The background is a monochromatic blue scene. In the lower-left foreground, a movie camera is partially visible, with its lens and various mechanical components. A film strip is draped across the frame, starting from the camera and extending towards the upper right. The film strip is in sharp focus, showing individual frames and sprocket holes. The overall lighting is soft, creating a professional and cinematic atmosphere.
