A close-up photograph of a collection of smooth, rounded stones. The central focus is a dark, almost black, oval-shaped stone with the word "DREAM" inscribed on it in white, uppercase, sans-serif letters. The word is oriented diagonally across the stone. Surrounding this central stone are numerous other stones of various sizes and shapes, all with a smooth, polished texture. These surrounding stones are primarily light-colored, ranging from off-white to light beige, with some showing subtle mottling or darker spots. The lighting is soft and even, highlighting the smooth surfaces of the stones.
