Target

A close-up photograph of a collection of smooth, rounded stones. The central focus is a dark, almost black, smooth stone with the word "DREAM" inscribed on it in white, uppercase, sans-serif letters. The word is oriented diagonally across the stone. Surrounding this central stone are numerous other smooth stones in various shades of light gray, off-white, and beige. The stones have a natural, weathered texture and are piled together, creating a sense of depth and texture. The lighting is soft and even, highlighting the smooth surfaces of the stones.
