

A nighttime photograph of the Tower Bridge in London, illuminated with white lights. The bridge's two towers and suspension cables are clearly visible, and the lights are reflected in the dark water of the River Thames below. The background shows some city lights and a dark sky.

A group of people, including a man in a light blue shirt and a woman in a black jacket, are standing near the gates, looking towards the camera.

A dark blue Mercedes-Benz convertible car is parked in the courtyard. The license plate reads B672 THP.
