

LONDON

London was founded
approximately 2000 years
ago by the Romans.

It was called
Londinium

It's one of the biggest cities in Europe

- There are approximately **8,200,000** people living in the city, which is about 607 sq miles.
- The 5 most important ethnic groups composing the population of London are:
 - British
 - Indians
 - Polish
 - Irish
 - Nigerians

It is crossed by the River
THAMES

There are many important and famous monuments. London contains 4 World Heritage Sites:

The Tower of London,

Westminster Abbey,

Kew Gardens,

Greenwich
