«Личный кабинет военнослужащего»

Все военнослужащие, проходящие военную службу по контракту, получили возможность доступа к полным сведениям о размере своего денежного довольствия и дополнительных выплат, которые осуществляются через Единый расчетный центр Минобороны России.

Вход в «Личный кабинет военнослужащего» осуществляется при вводе личного номера военнослужащего и уникального пароля, что призвано обеспечить защиту его персональных данных от несанкционированного доступа.

В данном разделе военнослужащие имеют возможность не только ознакомиться со всеми видами начисленных им выплат и удержаний в табличной форме, начиная с мая 2012 г., но и распечатать данные сведения в удобном формате.

При возникновении у военнослужащих проблемных вопросов, связанных с выплатой денежного довольствия, в разделе «Личный кабинет военнослужащего» указаны телефоны «горячей линии» Главного управления кадров МО РФ: 8-800-200-22-95, 8-800-200-26-96. Единого расчетного центра Минобороны России: 8-800-200-22-06, а так же адрес электронной почты erc@mil.ru. Кроме того, в разделе содержится и другая необходимая контактная информация.

Появление данного раздела обусловлено дальнейшим совершенствованием работы по оперативному информированию и реагированию на обращения военнослужащих по вопросам выплаты денежного довольствия.

Скачать инструкцию для пользователей «Личным кабинетом военнослужащего»

Сегодня в Вооруженных Силах России отмечается День военного связиста

За последние годы значительно изменились виды вооружений, формы и способы ведения войны. От боевых действий, характерных и соответствующих опыту Второй мировой войны и послевоенному периоду, армии развитых стран переходят к формам и способам ведения боевых действий с учетом возможностей нового оружия и с использованием единого информационно-телекоммуникационного пространства.

В современных условиях высокий уровень информационного обеспечения боевых действий войск (сил) становится определяющим условием достижения стратегического и оперативно-тактического превосходства над противником. А дальность и точность CORPONOUNIA CROACTRA ARMANIMA FIRO CARLL
